

## RPCEA/CRPUSD MOU

### Regarding Implementation of 2021 – 2022 4x4 Block Schedule

The parties agree to the following amendments to the MOU concerning the block schedule for Technology Middle School (TMS).

#### Schedule

The TMS schedule for the 2021-2022 school year shall consist of a 4x4 block schedule, with a combination of semester length and year-long classes. See schedule at end of document.

#### Article 4.4.1 Hours

Teachers shall have no more than three (3) teaching blocks per day based on a 4 block day. A block may be split into two equal length sections.

#### Article 6.1.3 Class Size

Middle school class sizes will not exceed thirty (30) students per block otherwise overages may apply. (See article 6.2.1)

#### Article 6.1.4.1 Exceptions

Physical education classes shall not exceed forty (40) students per class.

#### Article 6.2.1 Class Size Overage Payment

If the total number of students exceeds an average of 30 students per class per caseload (caseload is defined as total students assigned for all teaching sections on the overall semester schedule, the district will pay overages.)

Student Contacts will be 90 per teaching day (or up to a max of 100 if teaching half blocks). For half blocks, class sizes will attempt to be 20 or less. Overages will begin after 100.

Overages for P.E teachers will incur if the total number of students for the day exceeds the total allowed for in Article 6.1.4.1.

Overages for band and music teachers will be determined by their schedule and paid according to Article 6.1.4.2.

Overages are paid at the normal contract rate per Articles 6.2.1.1, 6.2.1.2, 6.1.2.3.

**Minimum days:** Seven (7) minimum days will be provided per year for prep and grading. These days will be: 10/22, 12/16, 1/14, 3/18, 4/15, 6/2, and 6/3.

This waiver sunsets without precedent at the end of the 2021-2022 school year.

Both parties will meet and discuss the success of the program by January 30, 2022, and discuss extending the MOU or placement within the RPCEA/CRPUSD contract.
