2022-2023 School Accountability Report Card (Published During the 2023-2024 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2023-24 School Description and Mission Statement

John Reed School was built in 1962 and was the first school in Rohnert Park. John Reed's mission is to prepare students to be lifelong learners and responsible individuals. Our school is committed to nurturing students through social emotional learning using our Everyday Speech and Toolbox programs. We support social emotional learning with high behavior expectations through our well-developed PBIS framework which helps students navigate all areas of their time at school. All John Reed students know that we are Safe, Responsible, Kind, and Ready to Learn. Students will be supported by staff, parents, and the community working together to create a nurturing, equitable, and caring environment.

John Reed is a Transitional Kindergarten through fifth grade elementary school. We offer a strong Response to Intervention (RTI) program, English Language Development (ELD) program, we have a full-time school psychologist, and have counseling services to best meet the needs of our students. We have a strong, historical, community school where students, where parents and staff are proud to be.

At John Reed there is an expectation that students will develop as a whole child with an environment that is dedicated to supporting students as they become global citizens - aware of their impact on the world. Our staff is committed to equity, differentiated instruction for all learners, having high behavioral expectations, while also being a hub of resources for our community. John Reed is committed to making a difference as we "Leap into the Future!"

A. Conditions of Learning **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

School Facility Conditions and Planned Improvements

John Reed, constructed in 1961, is the oldest school in the Cotati-Rohnert Park Unified School District. John Reed contains twenty-three classrooms, a school library, a computer lab and a multi-purpose room. Three classrooms that house our after school YMCA program are housed in portable buildings. John Reed has been modernized. The first phase of reconstruction began in June 1999, with classrooms in A and D wings renovated by September 1999. Reconstruction for classrooms in B and C wings took place in the summer of 2000, and the office and kindergarten wing 4 were under construction the summer of 2001. Remodeled classrooms included additional wiring for computers and additional storage for materials. The school was repainted during the summer of 2001, with the two portable buildings painted in the summer of 2002.

District maintenance staff continues to improve the general appearance and condition of the school. As with all schools, John Reed had safety inspections by the fire marshal, health department, and insurance carriers. Reports have been positive, and when problems are noted, they are addressed quickly. Reed passed two County and three State inspections in 2005 as part of the Williams Act. Reed successfully passed another Williams inspection in August 2019. Handicap accessibility needs and improvements are continually reviewed. The three-year asbestos re-inspection was completed in December 2011.

A complete renovation was conducted during the summer of 2018. The school increased from approximately 250 students to 450 students. The grades served are currently TK-5. All rooms were repaired/re-painted and had carpet installed. In addition all rooms received new furniture that features flexible seating arrangements. Three portables were added to the front of the building. In addition, one portable was added in back of the building to make two portables for the YMCA program.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23

2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

2022-23 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2023-24 Opportunities for Parental Involvement

Parents and Guardians are encouraged to become involved in PTA, ELAC and School Site Council. Opportunities for parents to become engaged in John Reed decision making is encouraged weekly with invitations for parents to become PTA members and volunteer for PTA sponsored evening events, as well as for nominations to School Site Council and ELAC. The PTA meets monthly and sponsors many activities such as the Walk-a-thon, Dine and Donate, and other family engagement activities and fun nights.

Parents and Guardians are invited to attend all meetings online, hybrid, or in person - with preferential timing taken into consideration through surveying parents as to best timing. Parents have been given the link for the Youth Truth family input survey to gather more information and stakeholder input, as well as Google Form survey once in the school year.

2023-24 School Safety Plan

John Reed School has a comprehensive school safety plan which addresses maintaining a safe school culture as well as disaster preparedness. The Comprehensive School Safety plan had an annual review and was updated at the School Site Council meeting on 11/6/2023, a follow up to review the current school safety plan took place with the School Site Council and ELAC committees on 12/6/2023. Staff gave input for the Safety Plan on 10/5/2023. The School Board is tentatively scheduled to review and approve in February 2024.

John Reed students and staff follow a schedule of safety drills and procedures to ensure that all know what to do in a variety of situations. Tactical safety plans are held in the office and confidential staff viewing only. John Reed Elementary School complies with existing laws related to school safety. These include: Disaster Procedures, District School Suspension and Expulsion Policies, Procedures to Notify Teachers of Dangerous Pupils, Sexual Harassment, and Procedures for Safe Ingress and Egress of pupils, parents and staff To and From School, and Safe and Orderly Environment conducive to Learning. These policies and procedures are regularly reviewed and posted. We post Seth's law and offer a Uniform Complaint Procedure (Board Policy 1312.3 Uniform Complaint Procedures) process (Board Policy 5145.3-Non-Discrimination/Harassment) to ensure that students and staff are free from bullying and harassment.

Professional Development

Professional Development in the Cotati-Rohnert Park Unified School Districts targets research-proven best practices. In addition to three days of training provided outside of the student instructional year, teachers have numerous opportunities to develop as professionals through district-sponsored trainings offered through release time and on regularly scheduled professional development dates. The elementary schools have two afternoons per month for professional development. The site is implementing Professional Learning Communities that review student progress data. The Professional Learning Communities support teacher and student growth and allow teachers time to discuss differentiating their lessons and how to provide multiple opportunities for students to demonstrate their learning and growth. This school year professional development has focused upon small group guided reading instruction, and Professional Learning Community protocols.
