Employee Newsletter of Cotati-Rohnert Park Unified School District

"You are enough.
You have influence.
You are a genius.
You have a contribution to make.
You have a gift others need.
Your actions define your impact.
You are the change.
You matter."

- Angela Maiers, the You Matter Manifesto

New Employee Newsletter

Welcome to the first issue of The Scoop, a newsletter for employees of Cotati-Rohnert Park Unified.

We all have much information to sort through, and it's our hope that this newsletter is short, sweet and has information you can use.

If you have suggestions for info you'd like to see, features, or if you have photos from your site(s) that feature our employees, please send them to news@crpusd.org

It's our goal to distribute the newsletter the first Monday of each month, unless it falls on a holiday.

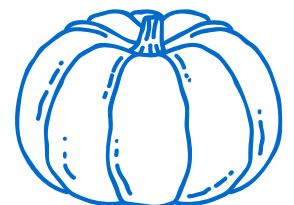

Evaluat'd is our New Employee Evaluation Tool

We are transitioning our certificated and classified evaluations from paper forms to online, using our new tool, Evaluat'd. We will use all existing forms that have been agreed to by RPCEA, SEIU, and CSEA; however they will be online. Evaluat'd allows administrators to stay on top of all negotiated timelines. It also allows for greater transparency, as unit members and supervisors will be able to see where they are in the evaluation process in real time.

ELA Adoption

We have officially begun the textbook adoption process for English Language Arts (ELA). Our current materials need updating and it's time to review and pilot instructional materials aligned to the California State Standards.

The Curriculum Council surveyed our staff and ELA is a priority for our teachers. A team of practitioners has been assembled to review and test out the materials over the next six months. The team will pilot the ELA/ELD materials for K-8 beginning in late October. The Curriculum Council that was formed in Spring 2021 will lead this process.
