Comprehensive School Safety Plan Purpose

Effective January 1, 2019, Assembly Bill 1747 (Rodriguez), School Safety Plans, became law. This bill requires that during the writing and development of the comprehensive school safety plan (CSSP), the school site council or safety committee consult with a fire department and other first responder entities in addition to currently required entities. It requires the CSSP and any updates made to the plan to be shared with the law enforcement agency, the fire department, and the other first responder entities.

The California Education Code (sections 32280-32288) outlines the requirements of all schools operating any kindergarten and any grades 1 to 12, inclusive, to write and develop a school safety plan relevant to the needs and resources of that particular school.

In 2004, the Legislature and Governor recast and renumbered the Comprehensive School Safety Plan provisions in SB 719 and AB 115. It is the intent of the Legislature in enacting the provisions to support California public schools as they develop their mandated comprehensive safety plans that are the result of a systematic planning process, that include strategies aimed at the prevention of, and education about, potential incidents involving crime and violence on school campuses.

The historical requirement of the Comprehensive School Safety Plan was presented in Senate Bill 187, which was approved by the Governor and chaptered in 1997. This legislation contained a sunset clause that stated that this legislation would remain in effect only until January 1, 2000. Senate Bill 334 was approved and chaptered in 1999 and perpetuated this legislation under the requirement of the initial legislation.

Comprehensive School Safety Plans are required under SB 719 & AB 115 and contains the following elements:

Assessment of school crime committed on school campuses and at school-related functions

- Child abuse reporting procedures
- Disaster procedures
- Suspension and expulsion policies
- Procedures to notify teachers of dangerous pupils
- Discrimination and harassment policies
- School wide dress code policies
- Procedures for safe ingress and egress
- Policies enacted to maintain a safe and orderly environment
- Rules and procedures on school discipline
- Hate crime reporting procedures

The Comprehensive School Safety Plan will be reviewed and updated by March 1st every year. In July of every year, the school will report on the status of its school safety plan including a description of its key elements in the annual school accountability report card.

A copy of the Comprehensive School Safety Plan is available for review at Marguerite Hahn Elementary, 825 Hudis, Rohnert Park, CA, 94928.

Safety Plan Vision

(C) School Suspension, Expulsion and Mandatory Expulsion Guidelines

(EC 32282(a)[2](C) (BP 5144.1, AR 5144.1, AR 5144.2, BP 5131)

It is the intent of the governing board to maintain a safe learning environment for all students. Student behavior management is conducted in a manner consistent with federal law, the Education Code of California, governing board policies, and district administrative regulations. School staff members adhere to the procedures set forth in the Student and Parent Handbook.

The Governing Board has established policies and standards of behavior in order to promote learning and protect the safety and well-being of all students. When these policies and standards are violated, it may be necessary to suspend or expel a student from regular classroom instruction. Except where suspension for a first offense is warranted in accordance with the law, the suspension shall be imposed only when other means of correction fail to bring about proper conduct. (Education Code 48900.5)

Expulsion is an action taken by the Board for severe or prolonged breaches of discipline by a student. Except for single acts of a grave nature, expulsion is used only when there is a history of misconduct, when other forms of discipline, including suspension, have failed to bring about proper conduct, or when the student's presence causes a continuing danger to him/herself or others. (Education Code 48915)

The grounds for suspension and expulsion and the procedures for considering, recommending, and/or implementing suspension and expulsion shall be specified in Administrative Regulation 5144.1. Suspended or expelled students shall be excluded from all school-related extracurricular activities during the period of suspension or expulsion.

Decision Not to Enforce Expulsion Order: On a case-by-case basis, the enforcement of an expulsion order may be suspended by the Board pursuant to the requirements of law.

Student Due Process: The Board shall provide for the fair and equitable treatment of students facing suspension and expulsion by affording them their due process rights under the law. The Superintendent or designee shall comply with procedures for notices and appeals as specified in administrative regulation and law. (Education Code 48911, 48915, 48915.5)

The Board recognizes that students who are suspended from school often have no supervision or guidance during school hours when they are off campus. The Board believes that in many cases, it would be better to address the student's misconduct by keeping the student at school and providing him/her with supervision that is separated from the regular classroom. The Superintendent or designee may establish a supervised in-house suspension program that meets the requirements of the law for suspended students who pose no imminent danger or threat at school and for whom an expulsion action has not been initiated. (Education Code 48900.5.) The Superintendent or designee may examine alternatives to off-campus suspension and may establish a suspension program that involves progressive discipline during the school day on campus; use of conferences between staff, parents/guardians, and students; detention; student study BP 5144.1 (b) teams or other assessment-related teams; and/or referral to school support services staff. The use of such alternatives does not preclude off-campus suspension.

(D) Procedures to Notify Teachers of Dangerous Pupils (EC 49079)

(EC 32282(a)[2](D); EC 49079) (BP 4158 AR 4158)

In accordance with EC 49079, the Superintendent informs the teacher of any student in his/her class who has engaged in, or is suspected of, any act during the previous three years which could constitute grounds for suspension or expulsion under EC 48900.

CRPUSD utilizes a contracted service called "Behavior Alert" that sends every teacher a coded email if one of their students gets suspended for any 48900 offense.

(E) Discrimination and Harassment Policies (EC 212.6 [b])

(EC 32282(a)[2](E); EC 234.4) (BP 5145.3, BP 5145.7, BP 5131.2, BP 5144.1)

DISCRIMINATION & HARASSMENT POLICY

CRPUSD is committed to maintaining a safe school environment that is free from discrimination and harassment. Discrimination against any student or employee and/or sexual harassment of any student or employee by another person is prohibited.

The Governing Board is committed to maintaining a safe school environment that is free from harassment and discrimination. The Board prohibits sexual harassment of students at school or at school-sponsored or school-related activities. The Board also prohibits retaliatory behavior or action against any person who files a complaint, testifies, or otherwise participates in district complaint processes.

Instruction/Information

The Superintendent or designee shall ensure that all district students receive age-appropriate instruction and information on sexual harassment. Such instruction and information shall include:

1. What acts and behavior constitute sexual harassment, including the fact that sexual harassment could occur between people of the same sex and could involve sexual violence
2. A clear message that students do not have to endure sexual harassment
3. Encouragement to report observed instances of sexual harassment, even where the victim of the harassment has not complained
4. Information about the district's procedure for investigating complaints and the person(s) to whom a report of sexual harassment should be made
5. Information about the rights of students and parents/guardians to file a criminal complaint, as applicable

Complaint Process

Any student who feels that he/she is being or has been sexually harassed on school grounds or at a school-sponsored or school-related activity (e.g., by a visiting athlete or coach) shall immediately contact his/her teacher or any other employee. An employee who receives such a complaint shall report it in accordance with administrative regulations. The Superintendent or designee shall ensure that any complaints regarding sexual harassment are immediately investigated in accordance with administrative regulations. When the Superintendent or designee has determined that harassment has occurred, he/she shall take prompt, appropriate action to end the harassment and to address its effects on the victim.

Disciplinary Actions

Any student who engages in sexual harassment or sexual violence at school or at a school-sponsored or school-related activity is in violation of this policy and shall be subject to disciplinary action. For students in grades 4-12, disciplinary action may include suspension and/or expulsion, provided that, in imposing such discipline, the entire circumstances of the incident(s) shall be taken into account.

Confidentiality and Record-Keeping

All complaints and allegations of sexual harassment shall be kept confidential except as necessary to carry out the investigation or take other subsequent necessary action. (5 CCR 4964) The Superintendent or designee shall maintain a record of all reported cases of sexual harassment to enable the district to monitor, address, and prevent repetitive harassing behavior in the schools.

(F) School-wide Dress Code Relating to Gang-Related Apparel (EC 35183)

(EC 32282(a)[2](F)) (BP 5132, AR 5132)

Students are expected to dress in a way that is safe, not distracting to themselves or others, and allows them to fully participate in their academic and physical education activities.

The Governing Board desires to keep district schools and students free from the threats or harmful influence of any groups or gangs which exhibit drug use, violence, or disruptive behavior. The Superintendent or designee shall take steps to deter gang intimidation of students and confrontations between members of different gangs. He/she shall exchange information and establish mutually supportive efforts with local law enforcement authorities. To further discourage the influence of gangs, the Superintendent or designee shall ensure that school rules of conduct are enforced consistently and that all students have access to counselors as needed.

The Superintendent or designee shall provide in-service training which helps staff to identify gangs and gang symbols, recognize early manifestations of disruptive activities, and respond appropriately to gang behavior. Staff shall be informed about conflict management techniques and alerted to intervention measures and community resources that may help our students.

Prevention Education

The Board realizes that many students become involved in gangs without understanding the consequences of gang membership. Early intervention is a key component of efforts to break the cycle of gang membership. Therefore gang violence prevention education in the third grade.

The California Legislature has declared that gang-related apparel is hazardous to the health and safety of the school environment. The Board recognizes that there is evidence of a gang presence in district schools that may disrupt or interfere with school activities. The Board has determined that the Superintendent or designee may establish reasonable dress code regulations prohibiting students from wearing gang-related apparel when necessary for the health and safety of the school environment.

(G) Procedure for Safe Ingress and Egress of Pupils, Parents, and Staff to and from School (EC 35294.2)

(EC 32282(a)[2](G)) (BP 5131)

CRPUSD annually defines procedures for the safe ingress and egress of pupils as well as details regarding the nature and hours of campus supervision, locations of safe drop-off and pick-up of students, and the safe ingress and egress to the campus. Safety procedures and expectations are described for those students who [drive cars,] ride the bus, ride their bikes, and walk to and from school.

All schools in CRPUSD have a plan for safe ingress and egress, policies and procedures are reviewed with pupils and staff and shared with parents.

H. ENSURING A SAFE AND ORDERLY ENVIRONMENT

(EC 32282(a)[2](H))

EC 32282 (b) It is the intent of the Legislature that schools use the handbook developed and distributed by the School/Law Enforcement Partnership Program entitled "Safe Schools: A Planning Guide for Action" in conjunction with developing their plan for school safety.

Safe Schools: A Planning Guide for Action is based on four principles: safe schools are caring schools, are built through cooperative efforts of all stakeholders, communicate high standards, and stress prevention. The guide recommends a seven-step planning process to guide the planning committee in addressing the components of the safe-school model.

This Comprehensive School Safety Plan has incorporated the Safe Schools: A Planning Guide for Action Steps 1-3 (identifying a planning committee, creating a vision of a Safe School, and gathering and analyzing data.

Section H describes Steps 4 and 5: setting an annual goal(s) for each of the two safe school components: The Social Environment (people and programs) and the Physical Environment (facilities). This section further identifies at least one goal with measurable objectives and activities for each of the two safe school components.

Steps 6 and 7 (communicating and evaluating the plan) are incorporated into the full Comprehensive School Safety Plan and are found in the Monitoring and Communication Section. This school also publishes the status of the school safety plan in its annual School Accountability Report Card.

When a school official suspects that a search of a student or his/her belongings will turn up evidence of the student's violation of the law or school rules, such a search shall be conducted in accordance with BP/AR 5145.12 - Search and Seizure.

When a student uses any prohibited device or uses a permitted device in any unethical or illegal activity, a district employee may confiscate the device. The employee shall store the item in a secure manner and may either return it at the end of the class period or school day or keep it until the principal or designee has consulted with the student's parent/guardian.

Students who violate district or school rules and regulations may be subject to discipline including, but not limited to, suspension, expulsion, transfer to alternative programs, referral to a student success team or counseling services, or denial of participation in extracurricular or cocurricular activities or other privileges in accordance with Board policy and administrative regulation. The Superintendent or designee shall notify local law enforcement as appropriate.

As role models for students, staff shall be expected to demonstrate effective problem-solving and anger management skills.

To discourage cyberbullying, teachers may advise students to be cautious about sharing passwords, personal data, or private photos online and to consider the consequences of making negative comments about others online.

Marguerite Hahn Elementary Incident Command System

Incident Command Team Responsibilities

Standardized Emergency Response Management System Overview

The California Standardized Emergency Management System (SEMS) is designed to centralize and coordinate emergency response through the use of standardized terminology and processes. This greatly facilitates the flow of information and resources among the agencies participating in response to an emergency. SEMS consists of five functions:

The principal of the school is responsible for all pre-disaster planning and preparedness for the school. In the event of an emergency, the principal or designee, will assume overall direction of disaster procedures for their school. The principal is Rachel Hankerson.

Management

During an emergency, the Incident Commander directs response actions from a designated Command Post. To effectively do this, the Incident Commander must constantly assess the situation, and develop and implement appropriate strategies. The Incident Commander must be familiar with the available resources, accurately document all response actions, and effectively communicate response strategies to others participating in the response. This function is typically filled by the school principal. The principal is assisted in carrying out this function by a Public Information & Liaison Officer and Safety Officer.

Planning & Intelligence

Planning and Intelligence involves the use of various methods to efficiently gather information, weigh and document the information for significance, and actively assess the status of the emergency. This understanding and knowledge about the situation at hand is vital to the effective management of a response. These activities are performed by a single person who reports directly to the Incident Commander.

Operations

All response actions are implemented under by Operations. This includes staff performing first aid, crisis intervention, search and rescue, site security, damage assessment, evacuations, and the release of students.

Logistics

Logistics supports the response by coordinating personnel; assembling and deploying volunteers; providing supplies, equipment, and services; and facilitating communications among emergency responders.

Finance & Administration

Finance & Administration involves the purchasing of all necessary materials, tracking financial records, timekeeping for emergency responders, and recovering school records following an emergency. These activities are performed by a single person who reports directly to the Incident Commander.

Step One: Identify the Type of Emergency

Step Two: Identify the Level of Emergency

2022-2023 School Accountability Report Card (Published During the 2023-2024 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2023-24 School Description and Mission Statement

At Marguerite Hahn Elementary, we partner with families to give all students a strong foundation. Our school vision is to create a community of lifelong learners using a meaning-centered curriculum where all individuals, skills, and talents are respected. All learners will strive to be caring, ethical, responsible individuals who embrace personal, social, and academic challenges that promote resiliency and acceptance of self and others. We have an ongoing commitment to provide an optimal education for all. At Marguerite Hahn Elementary School, we have four expectations: Be Safe, Respectful, Responsible, and Kind.

At Marguerite Hahn Elementary, our school is a professional learning community (PLC) and our focus is learning. Teachers meet regularly in professional learning teams (PLTs) to look at student data and academic progress. During these meetings, we adjust instruction and plan for future lessons, ensuring that all students are making academic progress. We also believe that a focus on learning includes students learning from their mistakes and how to deal with conflict. We are committed to talking with students and helping them learn from experiences and interactions so that they can grow both socially and emotionally.

Our PTA helps support our positive school community through family after school events, sponsoring on campus activities, and supporting field trips, but giving each student money towards trips. We encourage all of our families to be involved in both their child's learning and our school community. We believe that when we come together as a team, we are able to provide the best learning for students. Together, we make up Team Hahn.

School Facility Conditions and Planned Improvements

Hahn is located on approximately ten acres adjacent to Honeybee Park. The school is made up of varied types of construction, with 16 portable classrooms and 3 permanent buildings that house 10 classrooms. School operations originally began in 1978 with three permanent classroom buildings. The MU was built in 1987. Additional permanent classroom buildings and the office complex were constructed in 1999. In the summer of 2008, two (2) portable classrooms were added to accommodate the increase in enrollment. The YMCA program is also housed in a doublewide portable on campus.

Like all District schools, the fire marshal, health department, and insurance carrier have inspected Marguerite Hahn. The reports are positive, and when problems are noted, they are addressed immediately.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2023-24 Opportunities for Parental Involvement

Marguerite Hahn School is a TK through fifth grade school in the suburb of Rohnert Park, a city of approximately 50,000. It is located in a middle class neighborhood of primarily single-family homes near a golf course and small, neighborhood shopping center.

At Marguerite Hahn Elementary School, we believe that a strong partnership between school and home is essential. Teachers hold parent-teacher conferences each year, teachers are also happy to meet with parents at other times that can be scheduled via email, Parent Square, or requested when you see them. Principal Hankerson has an open door policy and encourages families to reach out or stop by the office. Every Friday there is a Principal Newsletter that goes out via Parent Square in the afternoon. Parents can also get updated information via the school social media pages and website. We love having parents volunteer on our campus, we encourage families to help in the classroom or office. We encourage parents to fill out the YouthTruth survey to give us feedback.

Hahn also has an active and involved Parent Teacher Association (PTA) organization. The PTA meets several times throughout the school year, parents are notified of meetings via the Principal Newsletter. The PTA sponsors spirit days, family community events, field trips, and prizes for student achievement and growth. Parents can follow the Hahn PTA facebook and Instagram pages, look for flyers in homework folders & Parent Square, signup to help using the signup genius website which goes out in the Principal Newsletter before events.

We truly believe in partnering with parents in supporting their child, we enjoy working with you throughout the school year.

2023-24 School Safety Plan

There is little crime in the neighborhood or on the campus. It is important to us that we maintain an environment in which safety and security of our students is the goal of the entire community. In accordance with Education Code 35294.6. Hahn's Safety Plan is reviewed, evaluated and amended each year by the site council.

Each month, various types of emergency drills are practiced during the school day including: Disaster procedures, District School Suspension and Expulsion Policies, Procedures to Notify Teachers of Dangerous Pupils, Sexual Harassment, and Procedures for Safe Ingress and Egress of pupils, parents and staff to and from School, and Safe and Orderly Environment conducive to Learning. In addition, staff practices various scenarios and roles that they may experience during emergency situations during monthly staff meetings, including: active shooter, student allergies, what to do if you suspect a head injury on the playground, etc. At least one time a year, students, staff and parents practice a full scale earthquake drill, where kindergarten students are released to their families using our emergency release system.

Staff reviews the safety plan each fall and makes changes to any roles. During emergencies (and drills) staff use lanyards with student emergency contact information in them to take attendance. Depending on the emergency and location of the event, staff will observe the situation and act accordingly, taking students to the safest location. Staff communicates with the office via walkie-talkies about students being accounted for or if they are missing.

The PTA has provided first aid and emergency materials, we also ask that parents send students with a bag of non-perishable food to be kept in the classrooms. The complete version of the School Safety Plan is available online and in the school office.

Professional Development

Professional Development in the Cotati-Rohnert Park Unified School Districts targets research-proven best practices. Before school started, staff had training in how to break down state standards and how to build curriculum maps. In addition, Hahn has two afternoons per month for professional development, during this time staff receives training in areas of need, including technology, curriculum & standards, and student social/emotional support. During PLT meetings, teachers identify a priority standard, share successful teaching strategies based on data, and plan instruction and next steps.

Our students in second through fifth grade work use Reflex Math, as well as Accelerated Reader. All of our students work on Lexia. We look closely at student progress and plan instruction based on students' successes and challenges.

Student progress is shared individually, by giving students certificates of improvement and achievement on the STAR assessment and SBAC assessment. School wide STAR assessment data progress is shared with students and families.

Informe de Responsabilidad Escolar para 2022-2023 (Publicado Durante el Ciclo Escolar 2023-2024)

Información General sobre el Informe de Responsabilidad Escolar (SARC)

Sobre el SARC

La ley estatal requiere que cada escuela en el estado de California publique un informe de responsabilidad escolar (SARC, por sus siglas en inglés), para el 1 de febrero de cada año. El SARC contiene información sobre la condición y desempeño de cada escuela pública en California. Bajo la fórmula de financiamiento bajo control local (LCFF, por sus siglas en inglés) todas las agencias educativas locales (LEA, por sus siglas en inglés) son requeridas preparar un plan de responsabilidad bajo control local (LCAP, por sus siglas en inglés), que describe como intentan cumplir las metas anuales específicas a la escuela para todos los alumnos, con actividades específicas para abordar prioridades estatales y locales. Además, datos reportados en un LCAP debe ser consistente con los datos reportados en el SARC.

- Para mayores informes sobre los requisitos del SARC, favor de consultar la página web del SARC del Departamento de Educación de California (CDE, por sus siglas en inglés), en www.cde.ca.gov/ta/ac/sa/
- Para más información sobre el LCFF o LCAP, consulte el sitio web LCFF de CDE en www.cde.ca.gov/fq/aa/lc/
- Si los padres y el público general desean recibir información adicional sobre la escuela, pueden comunicarse con el director o la oficina del distrito.

DataQuest

DataQuest es una herramienta en línea ubicada en el sitio web *DataQuest* de CDE en dq.cde.ca.gov/dataquest/ que cuenta con información adicional sobre esta escuela y comparaciones de la escuela con el distrito, el condado, y el estado. Específicamente, *DataQuest* es un sistema dinámico que proporciona informes para contabilidad (p. ej., datos de pruebas, matriculación, egresados de escuela preparatoria, abandono escolar, matriculación en cursos, dotación, y datos relacionados a Estudiantes del Inglés).

Interfaz (Dashboard) Escolar de California

La Interfaz Escolar de California (*Dashboard*) www.caschooldashboard.org/ refleja el nuevo sistema de contabilidad y continuo mejoramiento de California y proporciona información sobre como los LEA y las escuelas están cumpliendo las necesidades de la diversa población estudiantil de California. La Interfaz (*Dashboard*) cuenta con informes que exhiben el desempeño de los LEA, las escuelas y los grupos estudiantiles en un grupo de medidas estatales y locales para ayudar a identificar las fortalezas, desafíos y áreas necesitando mejoramiento.

Acceso al Internet

Acceso al Internet está disponible en bibliotecas públicas y otras ubicaciones que son accesibles al público (p.ej., la Biblioteca Estatal de California). Acceso al Internet en bibliotecas y otras ubicaciones públicas es generalmente proporcionado a base de orden de llegada. Otras restricciones de uso pueden incluir el horario de operación, el plazo de tiempo que se puede usar una estación de trabajo (dependiendo en disponibilidad), los tipos de programas informáticos disponibles en una estación de trabajo y la habilidad de poder imprimir documentos.

Descripción Escolar y Declaración de la Misión para 2023-24

En la Escuela Primaria Marguerite Hahn, nos asociamos con las familias para brindarles a todos los alumnos una base sólida. La visión de nuestra escuela es crear una comunidad de aprendices de por vida utilizando un currículo centrado en el significado donde se respetan todas las personas, habilidades y talentos. Todos los alumnos se esforzarán por ser personas solidarias, éticas y responsables que acepten desafíos personales, sociales y académicos que promuevan la resiliencia y la aceptación de sí mismos y de los demás. Tenemos un compromiso continuo de proporcionar una educación óptima para todos. En la Escuela Primaria Marguerite Hahn, tenemos cuatro expectativas: ser seguro, respetuoso, responsable y amable.

En la Escuela Primaria Marguerite Hahn, nuestra escuela es una Comunidad de Aprendizaje Profesional (PLC, por sus siglas en inglés) y nuestro enfoque es el aprendizaje. Los maestros se reúnen regularmente en Equipos de Aprendizaje Profesional (PLT, por sus siglas en inglés) para ver los datos de los alumnos y el progreso académico. Durante estas reuniones, ajustamos la instrucción y planificamos lecciones futuras, asegurándonos de que todos los alumnos estén progresando académicamente. También creemos que un enfoque en el aprendizaje incluye que los alumnos aprendan de sus errores y cómo lidiar con los conflictos. Estamos comprometidos a hablar con los alumnos y ayudarlos a aprender de las experiencias e interacciones para que puedan crecer tanto social como emocionalmente.

Nuestra Asociación de Padres y Maestros (PTA, por sus siglas en inglés) ayudan a apoyar a nuestra comunidad escolar positiva a través de eventos familiares después de la escuela, patrocinando actividades en el plantel, y apoyando excursiones, pero dándole a cada alumno dinero hacia viajes. Motivamos a todas nuestras familias a involucrarse en el aprendizaje de su

hijo y nuestra comunidad escolar. Creemos que cuando se juntan como equipo, podemos proporcionar el mejor aprendizaje para los alumnos. Juntos, formamos el Equipo Hahn.

Condiciones de Instalación Escolar y Mejoras Planeadas

La escuela Han está ubicada sobre aproximadamente 10 acreas adyacentes al Parque Honeybee. La escuela cuenta con variados tipos de construcción, con 16 salones portátiles, y 3 edificios permanentes que cuentan con 10 salones. El funcionamiento escolar originalmente comenzó en 1978 con tres salones docentes permanentes. La MU fue construida en 1987. Edificios permanentes adicionales con salones y el complejo de oficina fueron construidos en 1999. En el verano del 2008, dos (2) salones portátiles fueron añadidos para aborar con el aumento en matriculación. El programa YMCA es también albergado en un edificio portátil especialmente ancho en el plantel.

Como todas las escuelas del distrito, el jefe de bomberos, departamento de salud, y aseguradoras han inspeccionado la escuela Marguerite Hahn. Los informes son positivos, y cuando hay problemas notados, son abordados inmediatamente.

B. Resultados Estudiantiles

Prioridad Estatal: Rendimiento Estudiantil

El SARC proporciona la siguiente información relevante a la prioridad estatal de rendimiento estudiantil (Prioridad 4):

Evaluaciones a Nivel Estatal

(p. ej., Evaluación de Rendimiento Estudiantil y Progreso de California [CAASPP, por sus siglas en inglés], que incluye las Evaluaciones Sumativas *Smarter Balanced* para alumnos en población de educación general y las Evaluaciones Alternativas de California [CAA, por sus siglas en inglés] para artes lingüísticas del inglés [ELA, por sus siglas en inglés]/lectoescritura y matemáticas administradas en tercero a octavo y onceavo año. Solo alumnos elegibles pueden participar en la administración de las CAA. Material CAA cumple con las normas de rendimiento alternativo, las cuales están vinculadas con las Normas Básicas Comunes Estatales [CCSS, por sus siglas en inglés] para alumnos con discapacidades cognitivas significativas).

El Sistema CAASPP abarca las siguientes evaluaciones y requisitos de participación estudiantil:

1. **Evaluaciones Sumativas *Smarter Balanced* y Evaluaciones Alternativas de California (CAA, por sus siglas en inglés) para ELA** en tercero a octavo grado y onceavo grado.
2. **Evaluaciones Sumativas *Smarter Balanced* y Evaluaciones Alternativas de California (CAA, por sus siglas en inglés) para Matemáticas** en tercero a octavo grado y onceavo grado.
3. **Prueba de Ciencia de California (CAST, por sus siglas en inglés) Evaluaciones Alternativas de California (CAA, por sus siglas en inglés) para Ciencia** en quinto y octavo grado y al estar en la escuela preparatoria (es decir, décimo, onceavo o doceavo grado).

Porcentaje de Alumnos Cumpliendo o Superando la Norma Estatal para CAASPP

Esta tabla exhibe los resultados de la prueba CAASPP para ELA y matemáticas para todos los alumnos de tercero a octavo y onceavo grado tomando y completando una evaluación administrada por el estado.

Porcentaje no son calculados cuando la cantidad de alumnos realizando la prueba es diez o menos, ya sea porque la cantidad de alumnos en esta categoría es demasiado chica para precisión estadística o para proteger privacidad estudiantil.

Los resultados de prueba ELA y matemática incluyen la Evaluación Sumativa *Smarter Balanced* y la CAA. El “Porcentaje Cumpliendo o Superando” es calculado al tomar la cantidad total de alumnos que cumplieron o superaron la norma en la Evaluación Sumativa *Smarter Balanced* sumando la cantidad total de alumnos que cumplieron la norma (es decir, logró Nivel 3-Alternativo) en CAA dividido por la cantidad total de alumnos que participaron en ambas evaluaciones.

La cantidad de alumnos que realizaron las pruebas incluye todos los alumnos que participaron en la prueba sin importar que hayan recibido una puntuación o no; sin embargo, la cantidad de alumnos que realizaron las pruebas no es la cifra que fue utilizada para calcular los porcentajes del nivel de logro. La Escuela Marguerite Hahn es una escuela de Kinder en Transición (TK, por sus siglas en inglés) a quinto grado en el suburbio de Rohnert Park, una ciudad de aproximadamente 50,000 habitantes. Está ubicado en un vecindario de clase media de viviendas principalmente unifamiliares cerca de un campo de golf y un pequeño centro comercial del vecindario.

En la Escuela Primaria Marguerite Hahn, creemos que es esencial una fuerte asociación entre la escuela y el hogar. Los maestros realizan conferencias de padres y maestros cada año, los maestros también están felices de reunirse con los padres en otros momentos que se pueden programar por correo electrónico, Parent Square, o solicitado cuando los vea. El director Hankerson tiene una política de puertas abiertas y alienta a las familias a comunicarse o pasar por la oficina. Todos los viernes hay un Boletín Principal que se envía por Parent Square por la tarde. Los padres también pueden obtener información actualizada a través de las páginas de redes sociales y sitio web de la escuela. Nos encanta tener padres voluntarios en nuestro plantel, alentamos a las familias a ayudar en el aula o en la oficina. Alentamos a los padres a completar la encuesta de YouthTruth (Verdad Juvenil) para darnos su opinión.

Hahn también tiene una organización de Asociación de Padres y Maestros (PTA, por sus siglas en inglés) activa e involucrada. La PTA se reúne varias veces durante el ciclo escolar, los padres son notificados de las reuniones a través del Boletín del Director. La PTA patrocina días de espíritu escolar, eventos familiares comunitarios, excursiones, y premia el rendimiento y el crecimiento estudiantil. Los padres pueden seguir la página de Facebook y páginas de Instagram de la PTA de Hahn, buscar folletos en las carpetas de tareas y Parent Square, registrarse para ayudar a usar el sitio web de inscripción genial que se publica en el Boletín del Director antes de los eventos.

Realmente creemos en asociarnos con los padres para apoyar a sus hijos, disfrutamos trabajar con ustedes durante todo el ciclo escolar.

Plan de Seguridad Escolar para 2023-24

Hay poca delincuencia en el vecindario o en el plantel. Es importante para nosotros que mantengamos un entorno en el que la seguridad de nuestros alumnos sea la meta de toda la comunidad. De acuerdo con el Código de Educación 35294.6. El plan de seguridad de Hahn es revisado, evaluado y modificado cada año por el Consejo del Sitio Escolar.

Cada mes, se practican varios tipos de simulacros de emergencia durante el día escolar, que incluyen: procedimientos ante desastre, políticas de suspensión y expulsión de la escuela del distrito, procedimientos para notificar a los maestros sobre alumnos peligrosos, acoso sexual y procedimientos para la entrada y salida segura de alumnos, padres y personal hacia y desde la escuela, y un entorno seguro y ordenado propicio para el aprendizaje. Además, el personal practica varios escenarios y roles que pueden experimentar durante situaciones de emergencia durante las reuniones mensuales del personal, que incluyen: tirador activo, alergias de los alumnos, qué hacer si sospecha una lesión en la cabeza en el patio de recreo, etc. Al menos una vez al año, los alumnos, el personal y los padres practican un simulacro de terremoto a gran escala, donde los alumnos de kínder son entregados a sus familias usando nuestro sistema de salida de emergencia.

El personal revisa el plan de seguridad cada otoño y realiza cambios en los roles. Durante emergencias (y simulacros), el personal usa cordones con información de contacto de emergencia de los alumnos para tomar asistencia. Dependiendo de la emergencia y la ubicación del evento, el personal observará la situación y actuará en consecuencia, llevando a los alumnos al lugar más seguro. El personal se comunica con la oficina a través de walkie-talkies sobre los alumnos que se encuentran o si faltan.

La Asociación de Padres y Maestros (PTA, por sus siglas en inglés) ha proporcionado materiales de primeros auxilios y de emergencia, también pedimos a los padres de familia que envíen a los alumnos una bolsa de alimentos enlatados para mantener en las aulas. La versión completa del Plan de Seguridad Escolar está disponible en línea y en la oficina de la escuela.

Formación Profesional

La Formación Profesional (PD, por sus siglas en inglés) en los Distritos Escolares Unificados de Cotati-Rohnert Park tiene como objetivo las mejores prácticas comprobadas por investigaciones. Antes de que comenzaran las clases, el personal recibió capacitación sobre cómo desglosar normas estatales y cómo desarrollar mapas curriculares. Además, Hahn tiene dos tardes por mes para formación profesional, durante este tiempo el personal recibe capacitación en áreas de necesidad, incluyendo tecnología, currículo y estándares, y apoyo social/emocional estudiantil. Durante las reuniones de PLT, los maestros identifican un estándar de prioridad, comparten estrategias de enseñanza exitosas basadas en datos y planifican la instrucción y los próximos pasos.

Nuestros alumnos en segundo a quinto año trabajan usando Reflex Math, también Accelerated Reader. Todos nuestros alumnos trabajan en Lexia. Analizamos muy de cerca el progreso estudiantil y planeamos la instrucción basada en los éxitos y desafíos de los alumnos.

El progreso estudiantil es compartido de manera individual, dándoles a los alumnos certificados de mejora y rendimiento en la evaluación STAR y evaluación del Consorcio de Evaluación "Smarter Balanced" (SBAC, por sus siglas en inglés). Se comparte el progreso de datos de la evaluación STAR a nivel escolar con alumnos y familias.

Esta tabla exhibe la cantidad de días escolares dedicado a la formación del personal y continuo mejoramiento.
