Comprehensive School Safety Plan Purpose

Effective January 1, 2019, Assembly Bill 1747 (Rodriguez), School Safety Plans, became law. This bill requires that during the writing and development of the comprehensive school safety plan (CSSP), the school site council or safety committee consult with a fire department and other first responder entities in addition to currently required entities. It requires the CSSP and any updates made to the plan to be shared with the law enforcement agency, the fire department, and the other first responder entities.

The California Education Code (sections 32280-32288) outlines the requirements of all schools operating any kindergarten and any grades 1 to 12, inclusive, to write and develop a school safety plan relevant to the needs and resources of that particular school.

In 2004, the Legislature and Governor recast and renumbered the Comprehensive School Safety Plan provisions in SB 719 and AB 115. It is the intent of the Legislature in enacting the provisions to support California public schools as they develop their mandated comprehensive safety plans that are the result of a systematic planning process, that include strategies aimed at the prevention of, and education about, potential incidents involving crime and violence on school campuses.

The historical requirement of the Comprehensive School Safety Plan was presented in Senate Bill 187, which was approved by the Governor and chaptered in 1997. This legislation contained a sunset clause that stated that this legislation would remain in effect only until January 1, 2000. Senate Bill 334 was approved and chaptered in 1999 and perpetuated this legislation under the requirement of the initial legislation.

Comprehensive School Safety Plans are required under SB 719 & AB 115 and contains the following elements:

Assessment of school crime committed on school campuses and at school-related functions

- Child abuse reporting procedures
- Disaster procedures
- Suspension and expulsion policies
- Procedures to notify teachers of dangerous pupils
- Discrimination and harassment policies
- School wide dress code policies
- Procedures for safe ingress and egress
- Policies enacted to maintain a safe and orderly environment
- Rules and procedures on school discipline
- Hate crime reporting procedures

The Comprehensive School Safety Plan will be reviewed and updated by March 1st every year. In July of every year, the school will report on the status of its school safety plan including a description of its key elements in the annual school accountability report card.

A copy of the Comprehensive School Safety Plan is available for review at Technology Middle School, 7165 Burton Avenue, Rohnert Park, CA, 94928.

Safety Plan Vision

All students and staff of public primary, elementary, junior high, and senior high schools have the inalienable right to attend campuses that are safe, secure, and peaceful.

California Constitution

Article I, § 28 (c)

Board Policy 5142

"The governing board is responsible for ensuring that proper attention is paid to the safety of students. The governing board expects the superintendent to develop and implement regulations which will produce as safe an educational environment as possible for the students as well as for the certificated and classified staff."

(A) Child Abuse Reporting Procedures (EC 35294.2 [a] [2]; PC 11166)

(EC 32282(a)[2](A); EC 44691; PC PC11165.5; PC11165.7; PC11166) (BP 5141.4, AR 5141.4)

All school staff is trained in Child Abuse Reporting Procedures annually using the Vector online training module. All school staff actively monitor the safety and welfare of all students, and all school and district employees are mandated reporters. Staff members understand their responsibility as childcare custodians and immediately report all cases of known and suspected child abuse to Child Protective Services and the school principal.

Comprehensive School Safety Plan 6 of 27 11/27/22

Reporting Procedures

1. Initial Telephone Report: Immediately or as soon as practicable after knowing or observing suspected child abuse or neglect, a mandated reporter shall make an initial report by telephone to any police department (excluding a school district police/security department), sheriff's department, county probation department if designated by the county to receive such reports, or county welfare department.

Child Protective Services - Sonoma County
4717 Copperhill Parkway
Santa Rosa, CA 95403
Tel: 707-565-4300
FX: 707-565-4324

2. Written Report.: Within 36 hours of knowing or observing the information concerning the incident, the mandated reporter shall then prepare and either send, fax, or electronically submit to the appropriate agency a written follow-up report, which includes a completed Department of Justice form (SS 8572).

The Department of Justice form may be obtained from the district office or other appropriate agencies, such as the county probation or welfare department or the police or sheriff's department.

Reports of suspected child abuse or neglect shall include if known:

- a. The name, business address, and telephone number of the person making the report and the capacity that makes the person a mandated reporter.
- b. The child's name and address, present location, and, where applicable, school, grade, and class.
- c. The names, addresses, and telephone numbers of the child's parents/guardians.
- d. The name, address, telephone number, and other relevant personal information about the person who might have abused or neglected the child.
- e. The information that gave rise to the reasonable suspicion of child abuse or neglect and the source(s) of that information.

The mandated reporter shall make a report even if some of this information is not known or is uncertain to him/her.

The mandated reporter may give to an investigator from an agency investigating the case, including a licensing agency, any information relevant to an incident of child abuse or neglect or to a report made for serious emotional damage pursuant to Penal Code 11166.05.

3. Internal Reporting: The mandated reporter shall not be required to disclose his/her identity to his/her supervisor, the principal, or the Superintendent or designee.

However, employees reporting child abuse or neglect to an appropriate agency are encouraged, but not required, to notify the principal as soon as possible after the initial telephone report to the appropriate agency. When so notified, the principal shall inform the Superintendent or designee.

The principal so notified shall provide the mandated reporter with any assistance necessary to ensure that reporting procedures are carried out in accordance with the law, Board policy, and administrative regulation. At the mandated reporter's request, the principal may assist in completing and filing the necessary forms.

Reporting the information to an employer, supervisor, principal, school counselor, co-worker, or another person shall not be a substitute for making a mandated report to the appropriate agency.

Training:

Training of mandated reporters shall include identification and mandated reporting of child abuse and neglect.

Training shall also include guidance in the appropriate discipline of students, physical contact with students, and maintenance of ethical relationships with students to avoid actions that may be misinterpreted as child abuse.

Victim Interviews by Social Services

Whenever a representative from the Department of Social Services or another government agency investigating suspected child abuse or neglect deems it necessary, a suspected victim may be interviewed during school hours, on school premises, concerning a report of suspected child abuse or neglect that occurred within the child's home or out-of-home care facility. The child shall be given the choice of being interviewed in private or in the presence of any adult school employee or volunteer aide selected by the child.

A staff member or volunteer aide selected by a child may decline to be present at the interview. If the selected person accepts, the principal or designee shall inform him/her of the following requirements:

1. The purpose of the selected person's presence at the interview is to lend support to the child and enable him/her to be as comfortable as possible.
2. The selected person shall not participate in the interview.
3. The selected person shall not discuss the facts or circumstances of the case with the child.
4. The selected person is subject to the confidentiality requirements of the Child Abuse and Neglect Reporting Act, a violation of which is punishable as specified in Penal Code 11167.5.

If a staff member agrees to be present, the interview shall be held at a time during school hours when it does not involve an expense to the school.

Release of Child to Peace Officer:

When a child is released to a peace officer and taken into custody as a victim of suspected child abuse or neglect, the Superintendent or designee and/or principal shall not notify the parent/guardian, but rather shall provide the peace officer with the address and telephone number of the child's parent/guardian. It is the responsibility of the peace officer or agent to notify the parent/guardian of the situation.

Parent/Guardian Complaints:

Upon request, the Superintendent or designee shall provide parents/guardians with a copy of this administrative regulation which contains procedures for reporting suspected child abuse occurring at a school site to appropriate agencies. For parents/guardians whose primary language is not English, such procedures shall be in their primary language and, when communicating orally regarding those procedures, an interpreter shall be provided.

Upon request, the Superintendent or designee shall provide parents/guardians with a copy of this administrative regulation which contains procedures for reporting suspected child abuse occurring at a school site to appropriate agencies. For parents/guardians whose primary language is not English, such procedures shall be in their primary language and, when communicating orally regarding those procedures, an interpreter shall be provided. To file a complaint against a district employee or other person suspected of child abuse or neglect at a school site, parents/guardians may file a report by telephone, in person, or in writing with any appropriate agency identified above under "Reporting Procedures." If a parent/guardian makes a complaint about an employee to any other employee, the employee receiving the information shall notify the parent/guardian of procedures for filing a complaint with the appropriate agency. The employee also is obligated pursuant to Penal Code 11166 to file a report himself/herself using the procedures described above for mandated reporters.

In addition, if the child is enrolled in special education, a separate complaint may be filed with the California Department of Education pursuant to 5 CCR 4650.

Notifications:

The Superintendent or designee shall provide to all new employees who are mandated reporters a statement that informs them of their status as mandated reporters, their reporting obligations under Penal Code 11166, and their confidentiality rights under Penal Code 11167. The district also shall provide these new employees with a copy of Penal Code 11165.7, 11166, and 11167. Before beginning employment, any person who will be a mandated reporter by virtue of his/her position shall sign a statement indicating that he/she has knowledge of the reporting obligations under Penal Code 11166 and will comply with those provisions. The signed statement shall be retained by the Superintendent or designee.

Employees who work with dependent adults shall be notified of legal responsibilities and reporting procedures pursuant to Welfare and Institutions Code 15630-15637.

The Superintendent or designee also shall notify all employees that:

1. A mandated reporter who reports a known or suspected instance of child abuse or neglect shall not be held civilly or criminally liable for making a report and this immunity shall apply even if the mandated reporter acquired the knowledge or reasonable suspicion of child abuse or neglect outside of his/her professional capacity or outside the scope of his/her employment. Any other person making a report shall not incur civil or criminal liability unless it can be proven that he/she knowingly made a false report or made a report with reckless disregard for the truth or falsity of the report.
2. If a mandated reporter fails to report an incident of known or reasonably suspected child abuse or neglect, he/she may be guilty of a crime punishable by a fine and/or imprisonment.
3. No employee shall be subject to any sanction by the district for making a report.

(B) Disaster Procedures (EC 35295-35297; GC 8607 and 3100)

Adaptations for Students with Disabilities

Disaster Plan (See Appendix C-F)

(EC 32282(a)[2](B); GC 8607; GC 3100) (BP 5142, AR 5142, BP 6114, 6114.1, 6114.2, 6114.3, 6114.4, 6114.5)

CRPUSD maintains an Emergency Operations Plan (EOP) at each school site. Site-specific information is included and updated annually. Students are instructed in their classes each year about safety procedures. Student and Staff Drills Are conducted as listed below. Maps and procedures and more information are included in our full Emergency Operations Plan (EOP). Under Government Code 3100, all school personnel are Disaster Services Workers and are required to assist during a disaster until they are released by the Incident Commander/District Superintendent.

Type of Drill

Fire, Earthquake, Evacuation

Elementary: Once a month

Intermediate: Once a quarter

Secondary: Once a semester

Lockdown/Student Release

Elementary: Once a year

Intermediate: Once a year

Secondary: Once a year

These protective measures are taken before, during, and following an earthquake.

Mitigation

- Assess existing or potential hazards on and off campus
- Identify nonstructural hazards on campus and develop a plan of action to address the hazards

Preparedness

- Establish and Train in NIMS/SEMS and ICS
- Conduct Drills for Students and Staff in Drop/Cover/Hold
- Conduct Evacuation Drills for Students and Staff
- Conduct Drills for Students, Staff and Families in the Student Release Procedures
- Coordinate, plan, and train with Law Enforcement and Fire
- Acquire emergency equipment and supplies
- Coordinate with SCOE S.O.S. Crisis Response Team

Response

- Evacuate buildings and the school campus if necessary

- Release students as needed
- Initiate search and rescue efforts as needed
- Handle triage, medical aid, and mental health emergencies as needed

Recovery and Reconstruction

- Assess building and campus safety and damage
- Identify contacts for support as needed
- Mobilize the Crisis Response team as needed
- Make plans to relocate classes and other academic business at an alternate site as needed
- Track costs to delineate expenditures
- Debrief
- Update the plan as needed

Public Agency Use of School Buildings for Emergency Shelters

The American Red Cross has an MOU with the City of Rohnert Park. As needed, the school building facilities would be used as overflow.

(C) School Suspension, Expulsion and Mandatory Expulsion Guidelines

(EC 32282(a)[2](C) (BP 5144.1, AR 5144.1, AR 5144.2, BP 5131)

It is the intent of the governing board to maintain a safe learning environment for all students. Student behavior management is conducted in a manner consistent with federal law, the Education Code of California, governing board policies, and district administrative regulations. School staff members adhere to the procedures set forth in the Student and Parent Handbook.

The Governing Board has established policies and standards of behavior in order to promote learning and protect the safety and well-being of all students. When these policies and standards are violated, it may be necessary to suspend or expel a student from regular classroom instruction. Except where suspension for a first offense is warranted in accordance with the law, the suspension shall be imposed only when other means of correction fail to bring about proper conduct. (Education Code 48900.5)

Expulsion is an action taken by the Board for severe or prolonged breaches of discipline by a student. Except for single acts of a grave nature, expulsion is used only when there is a history of misconduct, when other forms of discipline, including suspension, have failed to bring about proper conduct, or when the student's presence causes a continuing danger to him/herself or others. (Education Code 48915)

The grounds for suspension and expulsion and the procedures for considering, recommending, and/or implementing suspension and expulsion shall be specified in Administrative Regulation 5144.1. Suspended or expelled students shall be excluded from all school-related extracurricular activities during the period of suspension or expulsion.

Decision Not to Enforce Expulsion Order: On a case-by-case basis, the enforcement of an expulsion order may be suspended by the Board pursuant to the requirements of law.

Student Due Process: The Board shall provide for the fair and equitable treatment of students facing suspension and expulsion by affording them their due process rights under the law. The Superintendent or designee shall comply with procedures for notices and appeals as specified in administrative regulation and law. (Education Code 48911, 48915, 48915.5)
Comprehensive School Safety Plan 10 of 27 11/27/22

The Board recognizes that students who are suspended from school often have no supervision or guidance during school hours when they are off campus. The Board believes that in many cases, it would be better to address the student's misconduct by keeping the student at school and providing him/her with supervision that is separated from the regular classroom. The Superintendent or designee may establish a supervised in-house suspension program that meets the requirements of the law for suspended students who pose no imminent danger or threat at school and for whom an expulsion action has not been initiated. (Education Code 48900.5.) The Superintendent or designee may examine alternatives to off-campus suspension and may establish a suspension program that involves progressive discipline during the school day on campus; use of conferences between staff, parents/guardians, and students; detention; student study BP 5144.1 (b) teams or other assessment-related teams; and/or referral to school support services staff. The use of such alternatives does not preclude off-campus suspension.

(D) Procedures to Notify Teachers of Dangerous Pupils (EC 49079)

(EC 32282(a)[2](D); EC 49079) (BP 4158 AR 4158)

In accordance with EC 49079, the Superintendent informs the teacher of any student in his/her class who has engaged in, or is suspected of, any act during the previous three years which could constitute grounds for suspension or expulsion under EC 48900.

CRPUSD utilizes a contracted service called "Behavior Alert" that sends every teacher a coded email if one of their students gets suspended for any 48900 offense.

(E) Discrimination and Harassment Policies (EC 212.6 [b])

(EC 32282(a)[2](E); EC 234.4) (BP 5145.3, BP 5145.7, BP 5131.2, BP 5144.1)

DISCRIMINATION & HARASSMENT POLICY

CRPUSD is committed to maintaining a safe school environment that is free from discrimination and harassment. Discrimination against any student or employee and/or sexual harassment of any student or employee by another person is prohibited.

The Governing Board is committed to maintaining a safe school environment that is free from harassment and discrimination. The Board prohibits sexual harassment of students at school or at school-sponsored or school-related activities. The Board also prohibits retaliatory behavior or action against any person who files a complaint, testifies, or otherwise participates in district complaint processes.

Instruction/Information

The Superintendent or designee shall ensure that all district students receive age-appropriate instruction and information on sexual harassment. Such instruction and information shall include:

1. What acts and behavior constitute sexual harassment, including the fact that sexual harassment could occur between people of the same sex and could involve sexual violence
2. A clear message that students do not have to endure sexual harassment
3. Encouragement to report observed instances of sexual harassment, even where the victim of the harassment has not complained
4. Information about the district's procedure for investigating complaints and the person(s) to whom a report of sexual harassment should be made
5. Information about the rights of students and parents/guardians to file a criminal complaint, as applicable

Complaint Process

Any student who feels that he/she is being or has been sexually harassed on school grounds or at a school-sponsored or school-related activity (e.g., by a visiting athlete or coach) shall immediately contact his/her teacher or any other employee. An employee who receives such a complaint shall report it in accordance with administrative regulations. The Superintendent or designee shall ensure that any complaints regarding sexual harassment are immediately investigated in accordance with administrative regulations. When the Superintendent or designee has determined that harassment has occurred, he/she shall take prompt, appropriate action to end the harassment and to address its effects on the victim.

Disciplinary Actions

Any student who engages in sexual harassment or sexual violence at school or at a school-sponsored or school-related activity is in violation of this policy and shall be subject to disciplinary action. For students in grades 4-12, disciplinary action may include suspension and/or expulsion, provided that, in imposing such discipline, the entire circumstances of the incident(s) shall be taken into account.

Confidentiality and Record-Keeping

All complaints and allegations of sexual harassment shall be kept confidential except as necessary to carry out the investigation or take other subsequent necessary action. (5 CCR 4964) The Superintendent or designee shall maintain a record of all reported cases of sexual harassment to enable the district to monitor, address, and prevent\ repetitive harassing behavior in the schools.

(F) School-wide Dress Code Relating to Gang-Related Apparel (EC 35183)

(EC 32282(a)[2](F)) (BP 5132, AR 5132)

Students are expected to dress in a way that is safe, not distracting to themselves or others, and allows them to fully participate in their academic and physical education activities.

The Governing Board desires to keep district schools and students free from the threats or harmful influence of any groups or gangs which exhibit drug use, violence, or disruptive behavior. The Superintendent or designee shall take steps to deter gang intimidation of students and confrontations between members of different gangs. He/she shall exchange information and establish mutually supportive efforts with local law enforcement authorities. To further discourage the influence of gangs, the Superintendent or designee shall ensure that school rules of conduct are enforced consistently and that all students have access to counselors as needed.

The Superintendent or designee shall provide in-service training which helps staff to identify gangs and gang symbols, recognize early manifestations of disruptive activities, and respond appropriately to gang behavior. Staff shall be informed about conflict management techniques and alerted to intervention measures and community resources that may help our students.

Prevention Education

The Board realizes that many students become involved in gangs without understanding the consequences of gang membership. Early intervention is a key component of efforts to break the cycle of gang membership. Therefore gang violence prevention education in the third grade.

The California Legislature has declared that gang-related apparel is hazardous to the health and safety of the school environment. The Board recognizes that there is evidence of a gang presence in district schools that may disrupt or interfere with school activities. The Board has determined that the Superintendent or designee may establish reasonable dress code regulations prohibiting students from wearing gang-related apparel when necessary for the health and safety of the school environment.

(G) Procedure for Safe Ingress and Egress of Pupils, Parents, and Staff to and from School (EC 35294.2)

(EC 32282(a)[2](G)) (BP 5131)

CRPUSD annually defines procedures for the safe ingress and egress of pupils as well as details regarding the nature and hours of campus supervision, locations of safe drop-off and pick-up of students, and the safe ingress and egress to the campus. Safety procedures and expectations are described for those students who [drive cars,] ride the bus, ride their bikes, and walk to and from school.

All schools in CRPUSD have a plan for safe ingress and egress, policies and procedures are reviewed with pupils and staff and shared with parents.

(H) A Safe and Orderly School Environment Conducive to Learning (EC 35294.2)

Component:

The CRPUSD Leadership Team will be incorporating PLC's at their individual sites to monitor and assess student progress and responsively support struggling students to enable all students to achieve grade-level standards.

H. ENSURING A SAFE AND ORDERLY ENVIRONMENT

(EC 32282(a)[2](H))

EC 32282 (b) It is the intent of the Legislature that schools use the handbook developed and distributed by the School/Law Enforcement Partnership Program entitled “Safe Schools: A Planning Guide for Action” in conjunction with developing their plan for school safety.

Safe Schools: A Planning Guide for Action is based on four principles: safe schools are caring schools, are built through cooperative efforts of all stakeholders, communicate high standards, and stress prevention. The guide recommends a seven-step planning process to guide the planning committee in addressing the components of the safe-school model.

This Comprehensive School Safety Plan has incorporated the Safe Schools: A Planning Guide for Action Steps 1-3 (identifying a planning committee, creating a vision of a Safe School, and gathering and analyzing data).

Section H describes Steps 4 and 5: setting an annual goal(s) for each of the two safe school components: The Social Environment (people and programs) and the Physical Environment (facilities). This section further identifies at least one goal with measurable objectives and activities for each of the two safe school components.

Steps 6 and 7 (communicating and evaluating the plan) are incorporated into the full Comprehensive School Safety Plan and are found in the Monitoring and Communication Section. This school also publishes the status of the school safety plan in its annual School Accountability Report Card.

(I) School Discipline Rules and Consequences (EC 35291 and EC 35291.5)

Technology Middle School Student Conduct Code

(EC 32282(a)[2](l)) (BP 5131/5131.1, AR 5131.1, BP 5144, AR 5144)

In order to provide a positive and safe learning environment for students, CRPUSD Individual School sites have created school-wide expectations for behavior and discipline.

Student Attendance / Student Conduct Policies and Regulations

We encourage our parents and students to familiarize themselves with these important District policies and regulations regarding student attendance and conduct. These will be posted on our District website at www.crpusd.org. For a hard copy, please see your school's office manager.

(EC 234.4) (BP 5131.2, BP 5144.1)

CRPUSD recognizes the harmful effects of bullying on student learning and school attendance and desires to provide learning environments that protect students from physical and emotional harm. XXX School has developed strategies to support a safe and orderly environment free from bullying and intimidation.

No individual or group shall, through physical, written, verbal, or other means, harass, sexually harass, threaten, intimidate, retaliate, cyberbully, cause bodily injury to, or commit hate violence against any other student or site personnel.

The Governing Board believes that all students have the right to be educated in a positive learning environment free from disruptions. Students shall be expected to exhibit appropriate conduct that does not infringe upon the rights of others or interfere with the school program while on school grounds, going to or coming from school, at school activities, or using district transportation.

The Superintendent or designee shall ensure that each school develops standards of conduct and discipline consistent with Board policies and administrative regulations. Students and parents/guardians shall be notified of the district and school rules related to conduct.

Prohibited student conduct includes, but is not limited to:

1. Conduct that endangers students, staff, or others, including, but not limited to, physical violence, possession of a firearm or other weapon, and terrorist threats
2. Discrimination, harassment, intimidation, or bullying of students or staff, including sexual harassment, hate-motivated behavior, cyberbullying, hazing or initiation activity, extortion, or any other verbal, written, or physical conduct that causes or threatens to cause violence, bodily harm, or substantial disruption.
3. Conduct that disrupts the orderly classroom or school environment
4. Willful defiance of staff's authority
5. Damage to or theft of property belonging to students, staff, or the district
- The district shall not be responsible for students' personal belongings which are brought on campus or to a school activity and are lost, stolen, or damaged.
6. Obscene acts or use of profane, vulgar, or abusive language

7. Possession, use, or being under the influence of tobacco, alcohol, or other prohibited drugs
8. Possession or use of a laser pointer, unless for valid instructional or other school-related purposes. Prior to bringing a laser pointer on school premises for a valid instructional or school-related purpose, a student shall obtain permission from the principal or designee.
9. Use of a cellular/digital telephone, pager, or other mobile communications device during instructional time. Such devices shall be turned off in class and stored securely in the student's belongings, except when being used for valid instructional or other school-related purposes as determined by the teacher or other district employee, and at any other time directed by a district employee. Any device with a camera, video, or voice recording function shall not be used in any manner which infringes on the privacy rights of any other person.
Students shall not use mobile communications devices, even in hands-free mode, while driving on school grounds or to or from a school-related activity.
No student shall be prohibited from possessing or using an electronic signaling device that is determined by a licensed physician or surgeon to be essential for the student's health and the use of which is limited to purposes related to the student's health.
(Education Code 48901.5)
10. Plagiarism or dishonesty on school work or tests
11. Inappropriate attire
12. Tardiness or unexcused absence from school
13. Failure to remain on school premises in accordance with school rules

Employees are expected to provide appropriate supervision to enforce standards of conduct and, if they observe or receive a report of a violation of these standards, to immediately intervene or call for assistance. If an employee believes a matter has not been resolved, he/she shall refer the matter to his/her supervisor or an administrator for further investigation.

When a school official suspects that a search of a student or his/her belongings will turn up evidence of the student's violation of the law or school rules, such a search shall be conducted in accordance with BP/AR 5145.12 - Search and Seizure.

When a student uses any prohibited device or uses a permitted device in any unethical or illegal activity, a district employee may confiscate the device. The employee shall store the item in a secure manner and may either return it at the end of the class period or school day or keep it until the principal or designee has consulted with the student's parent/guardian.

Students who violate district or school rules and regulations may be subject to discipline including, but not limited to, suspension, expulsion, transfer to alternative programs, referral to a student success team or counseling services, or denial of participation in extracurricular or cocurricular activities or other privileges in accordance with Board policy and administrative regulation. The Superintendent or designee shall notify local law enforcement as appropriate.

Students also may be subject to discipline, in accordance with the law, Board policy, or administrative regulation, for any off-campus conduct during nonschool hours which poses a threat or danger to the safety of students, staff, or district property, or substantially disrupts school activities.

(J) Tactical Responses

(EC 32282(a)(2)(J)) (BP 0540)

TACTICAL RESPONSES (SEE EOP, ANNEX B)

CRPUSD in consultation with law enforcement officials has developed tactical responses to criminal incidents at the school site that may result in death or serious bodily injury. In accordance with EC 32281(f) the district elects not to disclose the tactical response portions in the publicly viewed copy of the plan. General procedures for Shelter-in-Place, Lockdown, and Evacuation, [and Run-Hide-Fight] are contained in Annex B of the Emergency Operations Plan.

Each school in CRPUSD has an Emergency Operation Plan that details the procedures in the event of an active shooter.

Procedures for Preventing Acts of Bullying and Cyber-bullying

School behavior standards shall be coordinated district-wide, with particular attention to applying the standards for discrimination, intimidation, harassment, and bullying behavior fairly and consistently among schools at the same grade level. Schools will follow district guidelines and policies according to the Education Code and school rules pertaining to related matters such as discrimination, intimidation, harassment, bullying, suspension, and expulsion.

The district will not tolerate discrimination, intimidation, harassment, bullying, or any behavior that infringes on the safety or well-

being of students, staff, or any other persons within the district's jurisdiction whether directed at an individual or group. This includes but is not limited to discrimination, intimidation, harassment, and bullying based on actual or perceived characteristics and disability, gender, gender identity, gender expression, nationality, race or ethnicity, religion, sexual orientation, or association with a person or group with one or more of these actual or perceived characteristics. (Education Code 234.1)

Definitions:

"Bullying" is defined as any severe or pervasive physical or verbal act or conduct, including communications made in writing or by means of an electronic act, and including one or more acts committed by a pupil or group of pupils that constitutes sex harassment - 48900.2, hate violence - 48900.3, or harassment, threats or intimidation - 48900.4, directed toward one or more pupils that has or can be reasonably predicted to have the effect of one or more of the following:

Placing a reasonable pupil or pupils in fear of harm to that pupil or those pupils' person or property.

Causing a reasonable pupil to experience a substantially detrimental effect on her or her physical or mental health.

Causing a reasonable pupil to experience substantial interference with his or her academic performance.

Causing a reasonable pupil to experience substantial interference with his or her ability to participate in or benefit from the services, activities, or privileges provided by a school.

"Electronic act" is defined as the creation or transmission originating on or off the school site, by means of an electronic device, including, but not limited to, a telephone, wireless telephone, or other wireless communication devices, computer, or pager, of a communication, including, but not limited to, any of the following:

A message, text, sound, video, or image.

A post on a social network Internet Website, including but not limited to:

Posting or creating a burn page.

Creating a credible impersonation of another actual pupil.

Creating a false profile.

An act of cybersexual bullying.

"Reasonable pupil" is defined as a pupil, including, but not limited to, an exceptional needs pupil, who exercises average care, skill, and judgment in conduct for a person of his or her age, or for a person of his or her age with his or her exceptional needs. (Education Code 48900(r))

The school district has jurisdiction to respond to bullying behavior that is related to school activity or school attendance and that occurs at any time, including, but not limited to, while on school grounds, at a school-sponsored activity, while traveling to or from school, on a school bus, or during the lunch period whether on or off campus. (Education Code 48900(s))

Examples of the types of conduct that may constitute bullying and are prohibited by the district include, but are not limited to:
Physical bullying that inflicts harm upon a person's body or possessions, such as hitting, kicking, pinching, spitting, tripping, pushing, taking or breaking someone's possessions, or making cruel or rude hand gestures

Verbal bullying includes saying or writing hurtful things, such as teasing, name-calling, inappropriate sexual comments, taunting, or threats to cause harm

Social/relational bullying that harms a person's reputation or relationships, such as leaving a person out of an activity on purpose, influencing others not to be friends with someone, spreading rumors, or embarrassing someone in public

Cyberbullying, such as sending demeaning or hateful text messages or emails, sending rumors by email or by posting on social networking sites, or posting embarrassing photos, videos, web site, or fake profiles

Measures to Prevent Bullying

The Superintendent or designee shall implement measures to prevent bullying in district schools, including, but not limited to, the following:

Ensuring that each school establishes clear rules for student conduct and implements strategies to promote a positive, collaborative school climate

Providing to students, through student handbooks and other age-appropriate means, information about the district and school rules related to bullying, mechanisms available for reporting incidents or threats, and the consequences for engaging in bullying

Encouraging students to notify school staff when they are being bullied or when they suspect that another student is being bullied,

and providing means by which students may report threats or incidents confidentially and anonymously
Conducting an assessment of bullying incidents at each school and, if necessary, increasing supervision and security in areas where bullying most often occurs, such as classrooms, playgrounds, hallways, restrooms, and cafeterias
Annually notifying district employees that, pursuant to Education Code 234.1, any school staff who witnesses an act of bullying against a student has a responsibility to immediately intervene to stop the incident when it is safe to do so

Staff Development

The Superintendent or designee shall make the California Department of Education's online training module on the dynamics of bullying and cyberbullying, which includes the identification of bullying and cyberbullying and the implementation of strategies to address bullying, available annually to all certificated staff and to other employees who have regular interaction with students. (Education Code 32283.5)

The Superintendent or designee shall provide training to teachers and other school staff to raise their awareness about the legal obligation of the district and its employees to prevent discrimination, harassment, intimidation, and bullying of district students. Such training shall be designed to provide staff with the skills to:

Discuss the diversity of the student body and school community, including their varying immigration experiences

Discuss bullying prevention strategies with students, and teach students to recognize the behavior and characteristics of bullying perpetrators and victims

Identify the signs of bullying or harassing behavior

Take immediate corrective action when bullying is observed

Report incidents to the appropriate authorities, including law enforcement in instances of criminal behavior

Student Instruction

As appropriate, the district shall provide students with instruction, in the classroom or other educational settings, that promotes social-emotional learning, effective communication and conflict resolution skills, character/values education, respect for cultural and individual differences, self-esteem development, assertiveness skills, and appropriate online behavior.

The district shall also educate students about the negative impact of bullying, discrimination, intimidation, and harassment based on actual or perceived immigration status, religious beliefs, and customs, or any other individual bias or prejudice.

Students should be taught the difference between appropriate and inappropriate behaviors, how to advocate for themselves, how to help another student who is being bullied, and when to seek assistance from a trusted adult. As role models for students, staff shall be expected to demonstrate effective problem-solving and anger management skills.

To discourage cyberbullying, teachers may advise students to be cautious about sharing passwords, personal data, or private photos online and to consider the consequences of making negative comments about others online.

Reporting and Filing of Complaints

Any student, parent/guardian, or other individuals who believe that a student has been subjected to bullying or who has witnessed bullying may report the incident to a teacher, the principal, a compliance officer, or any other available school employee.

When a report of bullying is submitted that alleges discriminatory harassment, the principal or a district compliance officer shall inform the student or parent/guardian of the right to file a formal written complaint in accordance with AR 1312.3 - Uniform Complaint Procedures. The student who is the alleged victim of the bullying shall be given an opportunity to describe the incident, identify witnesses who may have relevant information, and provide other evidence of bullying.

Within one business day of receiving such a report, a staff member shall notify the principal of the report, whether or not a uniform complaint is filed. In addition, any school employee who observes an incident of bullying involving a student shall, within one business day, report such observation to the principal or a district compliance officer, whether or not the alleged victim files a complaint.

Within two business days of receiving a report of bullying, the principal shall notify the district compliance officer identified in AR 1312.3.

When the circumstances involve cyberbullying, individuals with information about the activity shall be encouraged to save and print any electronic or digital messages that they feel constitute cyberbullying and to notify a teacher, the principal, or another employee SO

that the matter may be investigated. When a student uses a social networking site or service to bully or harass another student, the Superintendent or designee may file a request with the networking site or service to suspend the privileges of the student and have the material removed.

Discipline/Corrective Actions:

Corrective actions for a student who commits an act of bullying of any type may include counseling, behavioral intervention and education, and, if the behavior is severe or pervasive as defined in Education Code 48900, may include suspension or expulsion in accordance with district policies and regulations.

When appropriate based on the severity or pervasiveness of the bullying, the Superintendent or designee shall notify the parents/guardians of victims and perpetrators and may contact law enforcement.

The Superintendent, principal, or principal's designee may refer a victim, witness, perpetrator, or other student affected by an act of bullying to a school counselor, school psychologist, social worker, child welfare attendance personnel, school nurse, or another school support service personnel for case management, counseling, and/or participation in a restorative justice program as appropriate. (Education Code 48900.9)

If any student involved in bullying exhibits warning signs of suicidal thoughts or intention or of intent to harm another person, the Superintendent or designee shall, as appropriate, implement district intervention protocols which may include, but are not limited to, referral to district or community mental health services, other health professionals, and/or law enforcement. Include the STOP IT app.

Safety Plan Review, Evaluation and Amendment Procedures

This plan is reviewed, evaluated, and amended (as needed) each school year by the School Site Council and Board of Trustees, local Law Enforcement, and the local Fire Agency. The revised plan is placed on the October regular meeting of the Board of Trustees for the public hearing to allow public input before it is adopted. It is available for public inspection at the District Office and school site during regular business hours.

How was the previous plan monitored?

Were changes made to Section B: Disaster Reporting Crisis Response or to the SEMS/ICS Chart? If so, reference where these are found.

Were changes made to Section G: Ingress and Egress? If so, reference where these are found.

What progress was made on Section H: Component I (Social Environment)?

What progress was made on Section H: Component II (Physical Environment)?

Technology Middle School Incident Command System

Incident Command Team Responsibilities

Standardized Emergency Response Management System Overview

The California Standardized Emergency Management System (SEMS) is designed to centralize and coordinate emergency response through the use of standardized terminology and processes. This greatly facilitates the flow of information and resources among the agencies participating in response to an emergency. SEMS consists of five functions:

The principal of the school is responsible for all pre-disaster planning and preparedness for the school. In the event of an emergency, the principal or designee, will assume overall direction of disaster procedures for their school. The principal is Josh Brown-Herrera.

Management

During an emergency, the Incident Commander directs response actions from a designated Command Post. To effectively do this, the Incident Commander must constantly assess the situation, and develop and implement appropriate strategies. The Incident Commander must be familiar with the available resources, accurately document all response actions, and effectively communicate response strategies to others participating in the response. This function is typically filled by the school principal. The principal is assisted in carrying out this function by a Public Information & Liaison Officer and Safety Officer.

Planning & Intelligence

Planning and Intelligence involves the use of various methods to efficiently gather information, weigh and document the information for significance, and actively assess the status of the emergency. This understanding and knowledge about the situation at hand is vital to the effective management of a response. These activities are performed by a single person who reports directly to the Incident Commander.

Operations

All response actions are implemented under by Operations. This includes staff performing first aid, crisis intervention, search and rescue, site security, damage assessment, evacuations, and the release of students.

Logistics

Logistics supports the response by coordinating personnel; assembling and deploying volunteers; providing supplies, equipment, and services; and facilitating communications among emergency responders.

Finance & Administration

Finance & Administration involves the purchasing of all necessary materials, tracking financial records, timekeeping for emergency responders, and recovering school records following an emergency. These activities are performed by a single person who reports directly to the Incident Commander.

Step Two: Identify the Level of Emergency

2022-2023 School Accountability Report Card (Published During the 2023-2024 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fq/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2023-24 School Description and Mission Statement

Technology Middle School provides a 21st century learning atmosphere while maintaining a strong belief in a child centered education. Students at Tech Middle learn through Investigative Learning activities that expose the students to real world problems, questions or challenges. Our students learn how to work collaboratively, use critical thinking and problem solving skills, as well as learning to self-manage. Tech Middle cultivates a strong school community where families and the larger community are welcome and are essential participants in the success of our school.

Technology Middle School is a comprehensive 6-8 middle school. In 2023-2024 our enrollment is 426 students. Our school demographics consist of 63.6% Socioeconomically Disadvantaged, 31% English Learners, and 1.4% of Foster Youth and 84 students with special education services.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2023-24 Opportunities for Parental Involvement

Parents can become involved in Technology Middle School through several activities and parent meetings. Technology Middle School holds MSPABA, TMS Sports Meetings, ELAC and School Site Council meetings at least 4 times a year. Parents are invited to attend all sports games, band concerts and our trimester award ceremonies which include a field day to celebrate student accomplishments. We encourage parents and school staff to work collaboratively to ensure all students are successful academically and social emotionally.

The Technology Middle School staff will review the School Safety Plan during the January staff meeting, then our School Site Council will meet, review and approve the Safety Plan during our February School Site Council Meeting.

2023-24 School Safety Plan

Technology Middle School complies with existing laws related to school safety. These laws include: Disaster Procedures, District School Suspension and Expulsion Policies, Procedures to Notify Teachers of Dangerous Pupils, Sexual Harassment, and Procedures for Safe Ingress and Egress of pupils, parents and staff To and From School, and Safe and Orderly Environment conducive to Learning. These policies and procedures are regularly reviewed and posted. Each year the Technology Middle School Comprehensive School Safety Plan is reviewed, evaluated and amended if needed by the School Site Council. In addition, our staff continues to address school safety on an ongoing basis by identifying and addressing issues as they occur throughout the year. Finally, staff and students participate in regular practice of safety drills to better prepare themselves to handle emergencies.

Professional Development

Professional Development in the Cotati-Rohnert Park Unified School Districts targets research-proven best practices. In addition to three days of training provided outside of the student instructional year, teachers have numerous opportunities to develop as professionals through district-sponsored trainings offered through release time and on regularly scheduled professional development dates. Technology Middle has three meetings per month for professional development. The site is implementing Professional Learning Communities that review student progress data. The Professional Learning Communities support teacher and student growth and allow teachers time to discuss differentiating their lessons and how to provide multiple opportunities for students to demonstrate their learning and growth.

This table displays the number of school days dedicated to staff development and continuous improvement.

Escuela Secundaria Tecnológica

Informe de Responsabilidad Escolar para 2022-2023

(Publicado Durante el Ciclo Escolar 2023-2024)

Información General sobre el Informe de Responsabilidad Escolar (SARC)

Sobre el SARC

La ley estatal requiere que cada escuela en el estado de California publique un informe de responsabilidad escolar (SARC, por sus siglas en inglés), para el 1 de febrero de cada año. El SARC contiene información sobre la condición y desempeño de cada escuela pública en California. Bajo la fórmula de financiamiento bajo control local (LCFF, por sus siglas en inglés) todas las agencias educativas locales (LEA, por sus siglas en inglés) son requeridas preparar un plan de responsabilidad bajo control local (LCAP, por sus siglas en inglés), que describe como intentan cumplir las metas anuales específicas a la escuela para todos los alumnos, con actividades específicas para abordar prioridades estatales y locales. Además, datos reportados en un LCAP debe ser consistente con los datos reportados en el SARC.

- Para mayores informes sobre los requisitos del SARC, favor de consultar la página web del SARC del Departamento de Educación de California (CDE, por sus siglas en inglés), en www.cde.ca.gov/ta/ac/sa/
- Para más información sobre el LCFF o LCAP, consulte el sitio web LCFF de CDE en www.cde.ca.gov/fq/aa/lc/
- Si los padres y el público general desean recibir información adicional sobre la escuela, pueden comunicarse con el director o la oficina del distrito.

DataQuest

DataQuest es una herramienta en línea ubicada en el sitio web *DataQuest* de CDE en dq.cde.ca.gov/dataquest/ que cuenta con información adicional sobre esta escuela y comparaciones de la escuela con el distrito, el condado, y el estado. Específicamente, *DataQuest* es un sistema dinámico que proporciona informes para contabilidad (p. ej., datos de pruebas, matriculación, egresados de escuela preparatoria, abandono escolar, matriculación en cursos, dotación, y datos relacionados a Estudiantes del Inglés).

Interfaz (Dashboard) Escolar de California

La Interfaz Escolar de California (*Dashboard*) www.caschooldashboard.org/ refleja el nuevo sistema de contabilidad y continuo mejoramiento de California y proporciona información sobre como los LEA y las escuelas están cumpliendo las necesidades de la diversa población estudiantil de California. La Interfaz (*Dashboard*) cuenta con informes que exhiben el desempeño de los LEA, las escuelas y los grupos estudiantiles en un grupo de medidas estatales y locales para ayudar a identificar las fortalezas, desafíos y áreas necesitando mejoramiento.

Acceso al Internet

Acceso al Internet está disponible en bibliotecas públicas y otras ubicaciones que son accesibles al público (p.ej., la Biblioteca Estatal de California). Acceso al Internet en bibliotecas y otras ubicaciones públicas es generalmente proporcionado a base de orden de llegada. Otras restricciones de uso pueden incluir el horario de operación, el plazo de tiempo que se puede usar una estación de trabajo (dependiendo en disponibilidad), los tipos de programas informáticos disponibles en una estación de trabajo y la habilidad de poder imprimir documentos.

Descripción Escolar y Declaración de la Misión para 2023-24

La Escuela Secundaria Tecnológica ofrece una atmósfera de aprendizaje del siglo XXI mientras mantiene una fuerte creencia en una educación centrada en el niño. Los alumnos de la Secundaria Tecnológica aprenden a través de actividades de aprendizaje investigativo que exponen a los alumnos a problemas, preguntas o desafíos del mundo real. Nuestros alumnos aprenden a trabajar en colaboración, utilizan el razonamiento crítico y las habilidades de resolución de problemas, además de aprender a autogestionarse. La Secundaria Tecnológica cultiva una comunidad escolar sólida donde las familias y la comunidad en general son bienvenidas y son participantes esenciales en el éxito de nuestra escuela.

La Escuela Secundaria Tecnológica es una escuela secundaria integral de 6to – 8vo grado. En el ciclo escolar 2023-2024 nuestra matrícula fue de 426 alumnos. La demografía de nuestra escuela consta de un 63.6% de alumnos en desventaja socioeconómica, un 31% de Estudiantes de Inglés y 1.4% de jóvenes de crianza temporal y 84 alumnos con servicios de educación especial.

Prioridad Estatal: Básico

El SARC proporciona la siguiente información relevante a la prioridad estatal básica (Prioridad 1):

- Nivel al cual los maestros están correctamente asignados y totalmente acreditados en la materia y para los alumnos que están educando;
- Alumnos tienen acceso a los materiales instructivos estandarizados; y
- Instalaciones escolares se mantienen en buen estado de reparo

Un FTE es igual a un miembro del personal trabajando tiempo completo; un FTE también puede representar a dos miembros del personal donde cada uno trabaja 50 por ciento del tiempo completo. Adicionalmente, una asignación se define como un cargo donde un educador es asignado a base de entorno, materia y nivel de grado. Una autorización se define como los servicios que un educador es autorizado proporcionar a los alumnos.

El CDE publicó el primer año de datos disponibles sobre maestros para el SARC de 2020-21 en junio de 2022 y el CDE publicó el segundo año de datos para el SARC de 2021-22 en junio de 2023. La Sección EC 33126(b)(5) requiere que los tres años más recientes de datos sobre maestros se peticione en el SARC, según estén disponibles los datos. Los datos sobre maestros para el SARC de 2022-23 no estarán disponibles antes del 1 de febrero de 2024 y por lo tanto no son incluidos en la plantilla.

B. Resultados Estudiantiles

Prioridad Estatal: Rendimiento Estudiantil

El SARC proporciona la siguiente información relevante a la prioridad estatal de rendimiento estudiantil (Prioridad 4):

Evaluaciones a Nivel Estatal

(p. ej., Evaluación de Rendimiento Estudiantil y Progreso de California [CAASPP, por sus siglas en inglés], que incluye las Evaluaciones Sumativas *Smarter Balanced* para alumnos en población de educación general y las Evaluaciones Alternativas de California [CAA, por sus siglas en inglés] para artes lingüísticas del inglés [ELA, por sus siglas en inglés]/lectoescritura y matemáticas administradas en tercero a octavo y onceavo año. Solo alumnos elegibles pueden participar en la administración de las CAA. Material CAA cumple con las normas de rendimiento alternativo, las cuales están vinculadas con las Normas Básicas Comunes Estatales [CCSS, por sus siglas en inglés] para alumnos con discapacidades cognitivas significativas).

El Sistema CAASPP abarca las siguientes evaluaciones y requisitos de participación estudiantil:

1. **Evaluaciones Sumativas *Smarter Balanced* y Evaluaciones Alternativas de California (CAA, por sus siglas en inglés) para ELA** en tercero a octavo grado y onceavo grado.
2. **Evaluaciones Sumativas *Smarter Balanced* y Evaluaciones Alternativas de California (CAA, por sus siglas en inglés) para Matemáticas** en tercero a octavo grado y onceavo grado.
3. **Prueba de Ciencia de California (CAST, por sus siglas en inglés)** **Evaluaciones Alternativas de California (CAA, por sus siglas en inglés) para Ciencia** en quinto y octavo grado y al estar en la escuela preparatoria (es decir, décimo, onceavo o doceavo grado).

Preparación Universitaria y Vocacional

El porcentaje de alumnos que han exitosamente completado cursos que satisfacen los requisitos para ingreso a la Universidad de California y la Universidad Estatal de California o secuencias de educación de carrera técnica o programa de estudio.

Porcentaje de Alumnos Cumpliendo o Superando la Norma Estatal para CAASPP

Esta tabla exhibe los resultados de la prueba CAASPP para ELA y matemáticas para todos los alumnos de tercero a octavo y onceavo grado tomando y completando una evaluación administrada por el estado.

Porcentaje no son calculados cuando la cantidad de alumnos realizando la prueba es diez o menos, ya sea porque la cantidad de alumnos en esta categoría es demasiado chica para precisión estadística o para proteger privacidad estudiantil.

Los resultados de prueba ELA y matemática incluyen la Evaluación Sumativa *Smarter Balanced* y la CAA. El “Porcentaje Cumpliendo o Superando” es calculado al tomar la cantidad total de alumnos que cumplieron o superaron la norma en la Evaluación Sumativa *Smarter Balanced* sumando la cantidad total de alumnos que cumplieron la norma (es decir, logró Nivel 3-Alternativo) en CAA dividido por la cantidad total de alumnos que participaron en ambas evaluaciones.

Resultados de la Prueba CAASPP para ELA por Grupo Estudiantil para 2022-23

Esta tabla exhibe los resultados de la prueba CAASPP para ELA por grupo estudiantil para alumnos de tercero a octavo y onceavo grado tomando y completando una evaluación administradas por el estado.

Los resultados de prueba ELA y matemática incluyen la Evaluación Sumativa *Smarter Balanced* y la CAA. El “Porcentaje Cumpliendo o Superando” es calculado al tomar la cantidad total de alumnos que cumplieron o superaron la norma en la Evaluación Sumativa *Smarter Balanced* sumando la cantidad total de alumnos que cumplieron la norma (es decir, logró Nivel 3-Alternativo) en CAA dividido por la cantidad total de alumnos que participaron en ambas evaluaciones.

Doble rayas (--) aparecen en la tabla cuando la cantidad de alumnos es diez o menos, ya sea porque la cantidad de alumnos en esta categoría es demasiada chica para precisión estadística o para proteger la privacidad estudiantil.

La cantidad de alumnos que realizaron las pruebas incluye todos los alumnos que participaron en la prueba sin importar que hayan recibido una puntuación o no; sin embargo, la cantidad de alumnos que realizaron las pruebas no es la cifra que fue utilizada para calcular los porcentajes del nivel de logro. Los porcentajes del nivel de logro son calculados usando solo alumnos que recibieron puntuaciones.

Prioridad Estantal: Participación Parental

El SARC proporciona la siguiente información relevante a la prioridad estatal: Participación Parental (Prioridad 3): Esfuerzos que hace el distrito escolar para solicitar el aporte parental en toma de decisiones relacionadas al distrito escolar y en cada sitio escolar.

Oportunidades para Participación Parental del 2023-24

Los padres pueden participar en la Escuela Secundaria Tecnológica (TMS, por sus siglas en inglés) a través de varias actividades y reuniones de padres. La Escuela Secundaria Tecnológica realiza reuniones de la Asociación de Aficionados de las Artes Escénicas de Escuelas Secundarias (MSPABA, por sus siglas en inglés), Encuentros Deportivos TMS, el Consejo Asesor para Estudiantes del Inglés (ELAC, por sus siglas en inglés) y el Consejo del Sitio Escolar al menos 4 veces al año. También llevamos a cabo "Tiger Talk" (Charla de los Tigres) los martes al menos una vez al mes para que los padres asistan y hagan preguntas y/o comparten inquietudes e ideas. Ofreceremos un club de libros para padres, capacitaciones para padres sobre el uso de varios programas proporcionados para sus alumnos y otros temas que las familias tienen un interés compartido en el aprendizaje. Los padres están invitados a asistir a todos los juegos deportivos, conciertos de bandas y nuestras ceremonias de premios trimestrales que incluyen un día de campo para celebrar los logros de los alumnos. Alentamos a los padres y al personal de la escuela a trabajar en colaboración para garantizar que todos los alumnos tengan éxito académico y socioemocional.

El personal de la Escuela Secundaria Tecnológica revisará el Plan de Seguridad Escolar durante la reunión de personal, luego nuestro Consejo del Sitio Escolar se reunirá, revisará y aprobará el Plan de Seguridad durante nuestra reunión del Consejo del Sitio Escolar en febrero.

Plan de Seguridad Escolar para 2023-24

La Escuela Secundaria de Tecnología cumple con las leyes existentes relacionadas con la seguridad escolar. Los diferentes temas relacionados con la seguridad escolar incluyen: procedimientos de actuación ante desastres, políticas de suspensiones y expulsiones del Distrito, procedimientos para notificar a los maestros sobre alumnos peligrosos, acoso sexual, y procedimientos para una entrada y salida seguras de alumnos, padres y personal, y un entorno seguro y ordenado propicio para el aprendizaje. Estas políticas y procedimientos escolares se revisan y publican periódicamente. Cada año, si es necesario, el Consejo Escolar revisa, evalúa y modifica el Plan Integral de Seguridad Escolar de Monte Vista. Además, nuestro personal continúa dando respuesta a los asuntos de seguridad escolar de manera continuada al identificar y atender los problemas a medida que se detectan a lo largo del año escolar. También contamos con un comité de seguridad que se reúne periódicamente. El comité está formado por el Director y 5 maestros. En último lugar, el personal y los alumnos participan en la práctica regular de simulacros de seguridad para estar mejor preparados para manejar emergencias.

Tamaño Promedio de Clase y Distribución del Tamaño de Clase Secundaria para 2020-21

Esta tabla exhibe el tamaño promedio de clase y la distribución del tamaño de clase para 2020-21. La columnas con nombre “Cantidad de Clases” indican cuantas clases corresponden en cada categoría de tamaño (un rango de cantidad total de alumnos por clase). Al nivel de escuela secundaria, esta información es reportada por materia en lugar de nivel de año.

Formación Profesional

El desarrollo profesional en el Distrito Escolar Unificado de Cotati-Rohnert Park se centra en buenas prácticas fundamentadas en estudios de investigación. Además de tres días de capacitación ofrecidas fuera del calendario educativo, los maestros tienen varias oportunidades para desarrollarse como profesionales mediante capacitaciones financiadas por el distrito ofrecidas durante el tiempo no dedicado a la docencia y en fechas regularmente programadas de formación profesional.

Hemos implementado un modelo de aprendizaje a partir de la resolución de problemas y del trabajo en proyectos, "Code to the Future" (un programa de inmersión al estudio de las ciencias de la informática) y ofrecemos una capacitación sobre el uso de dispositivos Apple para integrar el uso de estas tecnologías en el salón de clase. Hemos trabajado en la intervención y apoyo a la conducta positiva para aumentar la participación de los alumnos y encontrar alternativas a las suspensiones, y hemos invertido en llevar a cabo una encuesta y un programa de capacitación llamado "Whole School 360" para garantizar un clima y una cultura positivos. Uno de los lemas del distrito es "Aprender para toda la vida" y nosotros promovemos el aprendizaje de adultos como un prerequisito para la escuela continua y la mejora del distrito.

Esta tabla exhibe la cantidad de días escolares dedicado a la formación del personal y continuo mejoramiento.
