2023-2024 School Accountability Report Card (Published During the 2024-2025 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

A hard copy of the School Accountability Report Card is available at your School Office, upon request.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

Admission Requirements for the University of California (UC)	Admission requirements for the UC follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state's high school graduates, as well as those transfer students who have successfully completed specified college course work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for University-level work. For general admissions requirements, please visit the UC Admissions Information website at https://admission.universityofcalifornia.edu/ .
Admission Requirements for the California State University (CSU)	Eligibility for admission to the CSU is determined by three factors: (1) Specific high school courses, (2) Grades in specified courses and test scores, and (3) Graduation from high school. Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses have local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For admission, application, and fee information, see the CSU website at https://www2.calstate.edu/ .

2024-25 School Description and Mission Statement

School Description: Evergreen is a welcoming, neighborhood Transitional Kindergarten to fifth-grade school where students, families, and staff members feel like family. Evergreen teachers are highly respected as outstanding educators who believe in our students' unique talents and abilities. Our focus is learning and preparing our students for the 21st Century, both academically and emotionally. Staff members work in partnership with families to successfully meet the needs of all our students. Evergreen currently houses four Special Education Special Day Classes for CRPUSD, which contribute to our inclusive school environment for students of all abilities. Our teachers frequently review data to make informed decisions to differentiate our curriculum for each student's success.

2024-25 School Description and Mission Statement

Evergreen's active PTA is a key aspect of our school's success. Our PTA works tirelessly to raise funds through our annual Evergreen Walk-a-Thon. These funds provide enrichment opportunities to our students, such as assemblies and our afterschool musical theatre program. Proceeds also support our monthly community-building Family Fun Nights. Restorative Practices are an integral aspect of our school-wide behavior systems and support for students. We are utilizing the Zones of Regulation and Everyday Speech social-emotional curriculum to meet the needs of our students. Additionally, we implement our Evergreen Expectations using Positive Behavioral Interventions and Supports (PBIS) to support our students with Tier 1, 2, and 3 instruction and interventions. Every morning, our students and staff commit to our three Evergreen Expectations... Make Good Decisions, Show Respect, and Solve Problems. Students feel safe at Evergreen and are proud to be Bobcats!

Mission: At Evergreen, we strive to ensure high levels of learning for all students, to create a safe, secure, and engaging learning environment, and to establish and maintain collaborative partnerships between teachers, students, families, and community members

Vision: We believe that the most promising strategies for achieving our mission are:

- Unite to achieve a common purpose and goals
- Work together- interdependently- in collaborative teams
- Monitor each student's progress frequently with common formative assessments
- Collaborate to implement the best strategies for improving student learning continuously
- Demonstrate a personal commitment to each student's academic success and general well-being.

School Facility Conditions and Planned Improvements

Evergreen was built in 1978. In the past 19 years, Deferred Maintenance program funds have been used to upgrade and modernize various building systems. Improvement projects have included upgrades to 4 roofs, paving, painting, as well as HVAC and technology systems. Five portable buildings were acquired in 1989-1991 to accommodate the increased student population. These portables, along with the six classroom building pods, the administration office, and the multi-purpose building that principally serves as the cafeteria building, became part of the permanent structures that house students. As with all District facilities, yearly evaluations are conducted to assess and address ongoing Maintenance needs and Deferred Maintenance projects to uphold the preservation of building systems. In the summers of 2005 and 2006, improvements were made to roofing and exterior finish systems. In the summer of 2008, six (6) portable classrooms and one (1) portable toilet room were added to form an additional classroom wing to accommodate an increase in enrollment due to the closure of Gold Ridge Elementary. Handicap accessibility needs and improvements are continually reviewed. The three-year asbestos re-inspection was completed in December 2018. In the Spring of 2018, the school office was extensively remodeled. In the Winter of 2019, an additional play structure was added to the grass area of the school. In the Spring of 2020, construction began on our new Multi Use Room in the existing parking lot area (construction is ongoing and completion is expected in Summer of 2021). A new parking lot was completed in the Summer of 2020 behind our G-Wing. Our blacktop was also resurfaced in the Fall of 2020.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2022-23	School 2023-24	District 2022-23	District 2023-24	State 2022-23	State 2023-24

Mathematics (grades 3-8 and 11)	44	37	26	25	34	35

2023-24 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus

the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

2023-24 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA for Science. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated in a science assessment.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2023-24 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. The administration of the PFT requires only participation results for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2024-25 Opportunities for Parental Involvement

Evergreen is known for its strong community support. As a school and a family, we continually strive to improve our relationships, recognizing that the whole team's effort is needed to help every child succeed. Parents are viewed as partners and encouraged to participate actively in our school program. Parents are on campus participating in our morning walk, helping in classrooms, making copies for teachers, assisting teachers in running centers and small groups, attending field trips, organizing fundraisers, participating in committees, and meeting formally and informally with the Principal and Assistant Principal. Our active and welcoming PTA organizes regular Family Fun Nights to build community. Our ELAC committee is robust and different events are planned specifically to include our families of multi-lingual learners, including Dia De Los Muertos and Las Posadas Celebration. We have regular school Site Council and ELAC meetings. Parents who are not able to attend meetings are sent different surveys throughout the year, including the Youth Truth Survey, to give input on the climate and culture of the school.

2024-25 School Safety Plan

The Evergreen Comprehensive School Safety Plan is reviewed, evaluated, and amended annually. The plan covers such topics as assessment of the current status of school crime, child abuse reporting procedures, disaster procedures, suspension policies, school-wide discipline plan, and other topics required by the education code. The school staff and parent group work

2024-25 School Safety Plan

together to implement and practice our disaster plan and provide supplies for emergency kits. Staff members have access to Walkie-Talkies that can be utilized during the school day for routine procedures and in the event of an emergency. In addition, our staff continues to address school safety on an ongoing basis by identifying and addressing issues as they occur throughout the year and implementing Positive Behavioral Interventions and Supports (PBIS). Finally, staff and students regularly practice safety drills to prepare themselves for emergencies better. We post Seth's Law for Non-Discrimination and Harassment (Board Policy 5145.3), and Bullying (Board Policy 5131.2), and offer a Uniform Complaint Procedure process (Board Policy 1312.3). The Evergreen staff reviews the school safety procedures, and the School Site Council approves the 2024-2025 Comprehensive School Safety Plan, which the school approves annually.

Fiscal Year 2023-24 Types of Services Funded

All students are given the academic and social-emotional support they need as part of Multi Tiered Systems of supports, which includes small group instruction and social-emotional learning. Two full-time Educational Specialists, in addition to instructional aides, support students with IEP's. An ELL assistant supports teachers in working with students identified as multilingual learners. Evergreen has an Elementary School Counselor 3 days weekly, a full time Speech Language Pathologist, and a full-time School Psychologist to meet the needs of our general education students, as well as students with special education services. Sonoma State University provides an after-school homework assistance program called Study Buddies. Our PTA provides financial support for many items such as field trip expenses, instructional supplies, paper supplies, materials, and library expenses.

Professional Development

Professional Development in the Cotati-Rohnert Park Unified School Districts targets research-proven best practices. In addition to three days of training provided outside of the student instructional year, teachers have numerous opportunities to

Professional Development

develop as professionals through district-sponsored trainings offered through release time and on regularly scheduled professional development dates. The elementary schools have two afternoons per month for professional development. The site is implementing Professional Learning Communities, or teams, that review student progress data weekly. The Professional Learning Team time supports teacher and student growth and allow teachers time to discuss differentiating their lessons and how to provide multiple opportunities for students to demonstrate their learning and growth. The site has focused on improving instructional practices and student relationships. This school year professional development has focused ELA curriculum, diving deeper into the standards, and best practices for our multilingual learners. One of our district mottos is “learning for a lifetime” and we promote adult learning as prerequisite to continuous school and district improvement.
