2023-2024 School Accountability Report Card (Published During the 2024-2025 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

A hard copy of the School Accountability Report Card is available at your School Office, upon request.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

Admission Requirements for the University of California (UC)

Admission requirements for the UC follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state's high school graduates, as well as those transfer students who have successfully completed specified college course work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for University-level work. For general admissions requirements, please visit the UC Admissions Information website at <https://admission.universityofcalifornia.edu/>.

Admission Requirements for the California State University (CSU)

Eligibility for admission to the CSU is determined by three factors: (1) Specific high school courses, (2) Grades in specified courses and test scores, and (3) Graduation from high school. Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses have local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For admission, application, and fee information, see the CSU website at <https://www2.calstate.edu/>.

2024-25 School Description and Mission Statement

School Description: Thomas Page Academy is a transitional kindergarten through eighth-grade school with a focus on 21st Century learning skills. Thomas Page Academy offers an extended elementary school experience for sixth through eighth-grade students and those seeking an alternative to enrollment in a comprehensive middle school. Thomas Page Academy has approximately 426 students and is located on 10.5 acres in Cotati. Thomas Page Academy qualifies as Title 1. Thomas Page Academy offers a standards based curriculum, and all instruction is based on the Common Core Standards. Behavioral expectations are based on Life Skills and Positive Behavior Interventions and Supports (PBIS) programs, as well as the social-emotional curriculum of Everyday Speech. Monthly assemblies recognize students who demonstrate positive student behavior.

2024-25 School Description and Mission Statement

School wide procedures and expectations, as well as positive rewards and incentives, provide a safe and orderly learning environment, this along with family events and engagement opportunities cultivate a united and caring school culture and climate.

The mission of Thomas Page is to develop competent learners - ensuring that every student reaches a high level of academic achievement as determined by state and national standards. We accomplish this through a variety of learning opportunities, responding to ongoing local and state assessments, and through committing resources and support to ensure this outcome. Each year our goal is for our students to work and achieve while doing their personal best and to increase levels of achievement and proficiency on state and local assessments. Student academic success is measured through a variety of regular assessments. Assessment data is used to plan instruction that is targeted to all levels of student learning through the Professional Learning Community process (PLC). Thomas Page Academy supports learners through the Multi-Tiered Systems of Support model (MTSS) based on students needs, performance data, and learning outcomes. ELA instruction is targeted to students' needs using strategic, targeted small learning groups for tiered instruction. Targeted instruction is provided through tiered supports in math, reading, and writing. Teachers work collaboratively to plan instruction within and across grade levels to build a cohesive instructional program. Teachers are supported in a variety of staff development opportunities. Student and staff safety is a high priority. Thomas Page Academy has a public address system and phone system allowing for instant messaging and communication to staff and parents. New technology has been integrated into the classrooms and through 1:1 distribution of computer devices. Every student and staff member is proficient in appropriate instructional technology and utilizes vast technological resources to make instruction more effective and accessible in the classroom and STEAM activities and curriculum is a focus at every grade level. Thomas Page Academy strives to nurture a connected community by bringing students, families, and the staff team closer to one another through shared experience and consistent communication. Student clubs and activities help students feel connected to school. Regular school/home communication helps to engage families, and school events allow all community members to come together in a positive, enjoyable manner.

Vision Statement: The Thomas Page School Community supports the intellectual, physical and emotional development of our students. We will challenge ourselves to be a quality school that positively impacts student learning through changes and improvements in our educational design and delivery of services. Our school community believes in the potential of every student. We believe our unified effort will enable all students to learn and achieve in a manner that will prepare them to become caring and successful citizens of the 21st century.

School Facility Conditions and Planned Improvements

Built in 1969, Thomas Page is located on a 10-acre parcel in Cotati. It consists of five permanent buildings that house 24 classrooms. A YMCA program is housed on site. Thomas Page underwent modernization that included classrooms buildings, the computer lab, Administration office, and the MU, which the cafeteria occupies.

By means of Bond and Deferred maintenance projects, improvements have included door replacement, MU athletic court repair, roofing, site work, parking lot paving and floor replacement. The onsite custodial staff and the District Maintenance and Operations Dept. maintain these systems. The three-year asbestos re-inspection was completed in December 2011.

In the 15-16 school year, all portables were replaced with 2 new modular buildings consisting of 6 classrooms and a learning hallway in one, and 7 classrooms with a learning hallway in the other. The Kinder and first grade classrooms were modernized as well. New play structures were installed. All existing buildings received new carpet and roof material.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

| Subject | School 2022-23 | School 2023-24 | District 2022-23 | District 2023-24 | State 2022-23 | State 2023-24 |

2023-24 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA for Science. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated in a science assessment.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2024-25 Opportunities for Parental Involvement

Thomas Page Academy has an active parent group affiliated with the PTA. The group organizes fundraising activities to provide resources to support special school events and additional support services. Our School Site Council monitors the progress of our categorical programs and participates in projects that enhance the school environment, support the instructional programs, and gather staff and parent input regarding student progress. The ELAC committee meets to discuss general school and district related issues in a setting that fosters participation and input from the parents of our second language learners. There are designated periods scheduled during the year for all parents (transitional kindergarten through eighth grade) to participate in conferences with the instructional staff. The community is also encouraged to contact staff members when they have concerns or need assistance. The regular school monthly newsletter, 'TPA Tiger Tales', provides information of interest to the Thomas Page Community. The community has the opportunity to share feedback in survey form at times throughout the school year. Parents and other family members of our students provide volunteer support in the classroom, on the playground and on field trips. Parents sign in at the office and wear volunteer badges. Throughout the school year, Thomas Page Academy hosts family events and meetings whether virtual or in-person: parent informational meetings, Title I meeting, STEAM and Literacy Night, Fall Festival, Open House, Back to School Night, Parent-Teacher Conferences and family fun events. Parents receive notice of such events through multiple means of communication and in the language they understand: emails, weekly newsletter, phone calls, video messages, and paper documents. Every message sent from the school to families is provided in English and Spanish.

2024-25 School Safety Plan

Thomas Page Academy complies with existing laws related to school safety. These include: Disaster Procedures, District School Suspension and Expulsion Policies, Procedures to Notify Teachers of Dangerous Pupils, Sexual Harassment, and Procedures for Safe Ingress and Egress of pupils, parents and staff To and From School, and Safe and Orderly Environment

2024-25 School Safety Plan

conducive to Learning. These policies and procedures are regularly reviewed and posted. Each year the Thomas Page School Comprehensive School Safety Plan is reviewed, evaluated and amended if needed by the School Site Council. In addition, our staff continues to address school safety on an ongoing basis by identifying and addressing issues as they occur throughout the year. Finally, staff and students participate in regular practice of safety drills to better prepare themselves to handle emergencies. The Thomas Page Academy staff reviewed the School Safety Plan in the Fall of 2024 and the School Site Council approves the 2024-2025 Comprehensive Safety Plan annually.

Fiscal Year 2023-24 Types of Services Funded

Five education specialists in addition to nine paraprofessionals support students with IEPs. Thomas Page Academy has co-taught, full inclusion programs in transitional kindergarten and kindergarten, where students with comprehensive IEP services learn alongside general education peers in self-contained classrooms taught by both a general education teacher and an education specialist. Our PTA provides financial support for many items such as field trip expenses, instructional supplies, paper supplies, school assemblies, family events, materials and library expenses. Thomas Page Academy uses Expanded Learning Opportunities Program (ELOP) funding to fund after-school programs.. After-school Education and Safety funds are a grant from the State of California. We partner with the YMCA, and other community organizations to provide those services at Thomas Page Academy. Students participate in a homework club, tutoring, STEAM Club, sport clubs, art courses, music courses, martial arts, games, general childcare through the YMCA and other activities after school. For ELD services, in addition to designated ELD support from credentialed teachers, the district provides two ELD assistants to help teachers differentiate and instruct students acquiring English. After-school targeted instructional intervention classes are offered by faculty members and funded through ELOP funds. Title 1 funds are also used to help to employ an Assistant Principal and a .5 intervention teacher. The intervention teacher runs tiered instructional groups within classrooms. After school STEAM club, intervention curriculum (Fountas and Pinnell, Blueprints and Do The Math), and intervention materials are funded through Title 1 for the purpose of improvement in English Language Arts and Math performance. The district funds sports teams for students in sixth through eighth grade including: cross country, flag football, basketball, and volleyball.

Professional Development

Professional Development in the Cotati-Rohnert Park Unified School Districts targets research-proven best practices. In addition to three days of training provided outside of the student instructional year, teachers have numerous opportunities to develop as professionals through district-sponsored trainings offered through release time and on regularly scheduled professional development dates. The elementary schools have two afternoons per month for professional development. The site implements Professional Learning Teams that review student learning progress data on a weekly basis. The Professional Learning Teams support teacher and student growth and allow teachers time to discuss differentiating their lessons and how to provide multiple opportunities for students to demonstrate their learning and growth.

The site has focused upon improving instructional practices and student relationships. This school year professional development has focused upon engaging English Language Development instruction, Positive Behavior Incentives and Supports (PBIS), and Professional Learning Community protocols through participation in the California Principals Support Network (CAPS) a Solution Tree program aimed at improving Professional Learning Community practices and systems.
