## 2024-2025 School Accountability Report Card (Published During the 2025-2026 School Year)

### General Information about the School Accountability Report Card (SARC)

#### SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

#### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

### Admission Requirements for the University of California (UC)

Admission requirements for the UC follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state's high school graduates, as well as those transfer students who have successfully completed specified college course work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for University-level work. For general admissions requirements, please visit the UC Admissions Information website at <https://admission.universityofcalifornia.edu/>.

### Admission Requirements for the California State University (CSU)

Eligibility for admission to the CSU is determined by three factors: (1) Specific high school courses, (2) Grades in specified courses and test scores, and (3) Graduation from high school. Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses have local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For admission, application, and fee information, see the CSU website at <https://www2.calstate.edu/>.

## 2025-26 School Description and Mission Statement

We are a Transitional Kindergarten through fifth grade elementary school. We have approximately 335 students. At University Elementary we are a joyful and diverse learning community working to promote collaboration, positive relationships, and rigorous project-based education in and beyond the classroom. We strive to empower all students to be active, curious, creative, and effective thinkers.

The mission of our school is to establish, and sustain an environment that is safe and ensures every student attains a high level of academic achievement as determined by state standards and assessments. Students are empowered to become active, curious, creative, and effective thinkers as measured by student engagement in hands-on experiential and project-based

learning opportunities. We commit to delivering a support system to assure these outcomes.

We will accomplish this through a variety of learning opportunities and on-going purposeful assessments, committing resources and support to assure this outcome. Each year our goal is for our students to work toward and meet proficient levels of achievement on state and local assessments. Student academic success is supported through a variety of regular assessments and this data is used to plan instruction targeted to all levels of student learning.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

## School Facility Conditions and Planned Improvements

University Elementary at La Fiesta was built in 1973 and has gone through two phases of modernization in 2002 and 2003. The site re-opened in 2013 and new, flexible furniture was purchased. In the summer of 2023, the site was painted and the A wing HVAC was replacement project was completed in August of 2024. University Elementary has had safety inspections by the Fire Marshall, health department, and insurance carrier. In general, the reports were positive, and when problems were noted, they were addressed. The three-year asbestos re-inspection occurred in March 2025.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. Smarter Balanced Summative Assessments and CAAs for ELA in grades three through eight and grade eleven.

2. Smarter Balanced Summative Assessments and CAAs for mathematics in grades three through eight and grade eleven.

3. California Science Test (CAST) and CAAs for Science in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

ELA and mathematics test results include the Smarter Balanced Summative Assessments and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

Subject	School 2023-24	School 2024-25	District 2023-24	District 2024-25	State 2023-24	State 2024-25

2024-25 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus

the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

### 2024-25 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA for Science. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated in a science assessment.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2024-25 California Physical Fitness Test Participation Rates

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. The administration of the PFT requires only participation results for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Grade 5	97.30%	100.00%	100.00%	97.30%	100.00%

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2025-26 Opportunities for Parental Involvement

University Elementary has a variety of ways for parents to participate in their students' elementary experience. Families are invited to join PTA, Site Council, ELAC, Garden Committee and participate in all Family Fun Nights and 2nd Cup of Coffee. Plus we seek parents to get volunteer certified so they can volunteer in the classroom, special site events, and field trips.

UELF has an active Parent Teacher Association. PTA. It organizes fund raising activities to provide resources to support special school events and additional support services. Our School Site Council monitors the progress of our programs and participates in projects that enhance the school environment, support the instructional programs and gather staff and parent input regarding student progress. The ELAC, English Language Advisory Committee, meets to discuss general school and district related issues in a setting that fosters participation and input from the parents of our multilingual learners. There are designated periods scheduled during the year for parents to participate in conferences with the Instructional staff. The community is also encouraged to contact staff members when they have concerns or need assistance. The weekly newsletter provides information of interest to the University Elementary Community. Parents and other family members of our students provide volunteer support in the classroom, on the playground and on fieldtrips.

Our project based learning (PBL) approach to learning is driven by student inquiries, state standards and parents are invited to participate by sharing their interests/jobs, gathering materials, coordinating guest speakers, and also act as an authentic audience for our PBL Celebrations, wherein students showcase what they learn.

Volunteers are a valuable part of our school and exemplify our strong home/school connection.

## 2025-26 School Safety Plan

University Elementary School complies with existing laws related to school safety. These include: Disaster Procedures (fire and earthquake) and procedures for conducting tactical responses to criminal incidents. District School Suspension and Expulsion Policies, Procedures to Notify Teachers of Dangerous Pupils, Sexual Harassment, and Procedures for Safe Ingress and Egress of pupils, parents and staff To and From School, and Safe and Orderly Environment conducive to Learning. These policies and procedures are regularly reviewed and posted. Each year the University Elementary School Comprehensive School Safety Plan is reviewed, evaluated and amended if needed by the School Site Council. In addition, our staff continues to address school safety on an ongoing basis by identifying and addressing issues as they occur throughout the year. Finally, staff and students participate in regular practice of safety drills to better prepare themselves to handle emergencies. All staff have access to radios for emergency communication. We also post information about Seth's Law in our office - Board Policy 5131.2, Non/Discrimination Board Policy, Bullying Board Policy 5145.3, and offer a uniform complaint procedure Board Policy 1312.3 . Our school and district is working to improve climate and culture at all sites. As a result we are working with the Youth Truth Survey and regular survey check-ins with the community to identify areas for improvement and then strategies to implement. This year we are also training our primary grades as Safe School Buddies and our intermediate grades as Safe School Ambassadors. These programs are intended to prevent bullying and mistreatment of students.

The UELF staff reviewed the School Safety Plan at our September staff meeting, then our School Site Council reviewed and approved the plan during our October meetings.

Professional Development

Professional Development in the Cotati-Rohnert Park Unified School Districts targets research-proven best practices. In addition to three days of training provided outside of the student instructional year, teachers have numerous opportunities to develop as professionals through district-sponsored trainings offered through release time and on regularly scheduled professional development dates. The elementary schools have two afternoons per month for professional development. Trainings have been focused on enrichment and building capacity. The district implements the Common Core State Standards so these professional development days support this instruction. University Elementary emphasizes problem and project based learning utilizing experiential learning opportunities. One day each month targets English language arts and one day targets mathematics. Data meetings are held to discuss student achievement, progress and next steps. One of our district mottos is “learning for a lifetime” and we promote adult learning as prerequisite to continuous school and district improvement.

This table displays the number of school days dedicated to staff development and continuous improvement.
