Welcome to Our Ukrainian Families

A few days before the start of school, the District Office welcomed a Ukrainian family that had to flee their home. A special thank you to Technology Middle School teacher, Olga Saschin, who translated and made our new students feel welcomed. We are so excited to have them as a part of our community. If you would like to learn more about their story, click [HERE](#). There is also a [fundraiser](#) that will be held at Lawrence Jones Middle School on September 24th.

COTATI-ROHNERT PARK UNIFIED SCHOOL DISTRICT
welcomes artist author
and speaker Simon Silva to John Reed Elementary
School on Monday, September 19 from 6:30
p.m. – 8:00 p.m. Dr. Mayra Perez invites the families
and staff of Cotati-Rohnert Park community to a
special presentation on the importance of the arts
and creating sustainable success.

Simon Silva born in Mexicali, Mexico, and grew up in
the Imperial Valley near the
Mexico/California border. Silva's family were migrant
farm workers, and he worked the fields
from elementary school until he was twenty-three.

Simon Silva's renowned artwork has
appeared in many distinguished places around the
world, and his workshop, "Cultivate a
Creative Mind", with educators, families, and
students of all ages encourages participants to
communicate using their natural artistic talent. Silva
believes honing your artistic talent
provides society with an opportunity to move
forward with better communication skills and
problem-solving capabilities. The message he hopes
to spread is that everyone is important,
and each of us has a piece of the solution, and it's
our obligation to make a difference
in the world.
