FAQ

Should I be updating the chromebook regularly?

No, most of the time the chromebook will update itself automatically. These instructions are for chromebooks that aren't allowing you to access a web page or app because your chrome browser or operating system is out of date.

How long does it take to update?

Depending on how behind the chromebook is from the latest version it can take up to an hour.

What if my application/website is still saying my computer is out of date? Please contact 707-285-2078 or put in a ticket at my.crpusd.org
