# WEEKLY UPDATE

COTATI-ROHNERT PARK  
UNIFIED SCHOOL DISTRICT

FEBRUARY 14-18, 2022

### **Covid Update**

*The state mandate ended February 15, 2022 for the general public but it does not apply to school settings. School mask rules set by CDPH will continue to remain in effect in K-12 settings. Effective February 21, 2022, staff at public, private, and charter schools will need to either be fully vaccinated and boosted, if eligible, or test twice per week. SCOE recently received at-home test kits for staff only use. Once CRPUSD receives them, they will be distributed to school sites.*

### **Special Education**

*The Special Education Committee has met twice so far with its third meeting happening on February 24, 2022. The diverse stakeholder group has given the department valuable input already. A survey for parents is going out this week. We will be drafting a special education vision and asking for feedback from all staff. Rita Baltazar has joined the Special Education Department as a Community Liason. She has been supporting the work of this committee and doing outreach and communication to families of students with IEP's.*
